

MLN Matters Number: MM5235

Related Change Request (CR) #:5235

Related CR Release Date: November 17, 2006

Effective Date: January 1, 2007

Related CR Transmittal #: R1113CP

Implementation Date: January 2, 2007

Do you have your NPI? National Provider Identifiers (NPIs) will be required on claims sent on or after May 23, 2007. Every health care provider needs to get an NPI. Learn more about the NPI and how to apply for an NPI by visiting <http://www.cms.gov/Regulations-and-Guidance/HIPAA-Administrative-Simplification/NationalProvIdentStand/index.html> / on the CMS website.

Implementation of a One-Time Only Ultrasound Screening for Abdominal Aortic Aneurysms (AAA), Resulting from a Referral from an Initial Preventive Physical Examination

Note: This article was updated on December 5, 2014, to add a reference to MLN Matters® Article MM881 available at <http://www.cms.gov/Outreach-and-Education/Medicare-Learning-Network-MLN/MLNMattersArticles/downloads/MM881.pdf> to alert providers that effective January 27, 2014, Medicare covers AAA screening for eligible beneficiaries without requiring them to receive a referral as part of the Initial Preventive Physical Examination (IPPE, also commonly known as the “Welcome to Medicare Preventive Visit”). The beneficiary only needs to obtain a referral from their physician, physician assistant, nurse practitioner, or clinical nurse specialist. All other information remains unchanged.

Provider Types Affected

This article is intended for all physicians and providers who bill Medicare carriers, fiscal intermediaries (FIs), and Medicare Administrative Contractors (MACs) for subject services.

Background

This article and related CR5235 highlight the fact that Section 5112 of the Deficit Reduction Act (DRA) of 2005 allows for one ultrasound screening for Abdominal Aortic Aneurysms (AAA) under Medicare Part B, effective for services furnished on or after January 1, 2007, as a result of a referral from an Initial Preventive Physical Examination (IPPE) and subject to certain eligibility and other limitations. This provision also waives the annual Part B deductible for the AAA screening test.

Disclaimer

This article was prepared as a service to the public and is not intended to grant rights or impose obligations. This article may contain references or links to statutes, regulations, or other policy materials. The information provided is only intended to be a general summary. It is not intended to take the place of either the written law or regulations. We encourage readers to review the specific statutes, regulations and other interpretive materials for a full and accurate statement of their contents.

Key Points

Effective for dates of service on and after January 1, 2007 Medicare will pay for a one-time ultrasound screening for AAA, for beneficiaries who meet the following criteria:

- Receives a referral for such an ultrasound screening as a result of an initial preventive physical examination (IPPE) (See *MLN Matters* article MM3638 at <http://www.cms.gov/outreach-and-education/medicare-learning-network-mln/mlnmattersarticles/downloads/MM3638.pdf> for more details on the IPPE.)
- Receives such ultrasound screening from a provider or supplier who is authorized to provide covered ultrasound diagnostic services.
- Has not been previously furnished such an ultrasound screening under the Medicare Program
- Is included in at least one of the following risk categories:
 1. Has a family history of abdominal aortic aneurysm;
 2. Is a man age 65 to 75 who has smoked at least 100 cigarettes in his lifetime;
 3. Is a beneficiary, who manifests other risk factors in a beneficiary category recommended for screening by the United States Preventive Services Task Force regarding AAA, as specified by the Secretary of Health and Human Services, through the national coverage determinations process.

Payment

- The Part B deductible for screening AAA is waived effective January 1, 2007, but coinsurance is applicable.
- If the screening is provided in a physician office, the service is billed to the carrier using the HCPCS code G0389: Ultrasound, B-scan and/or real time with image documentation; for abdominal aortic aneurysm (AAA) screening.
 - Short Descriptor: Ultrasound exam AAA screen
 - Modifiers: TC, 26 (modifiers are optional)
 - Payment is under the Medicare Physician Fee Schedule (MPFS).

FIs will pay for the AAA screening only when the services are performed in a hospital, including a **CAH, IHS facility, an SNF, RHC, or FQHC** and submitted on one of the following types of bills (TOBs): **12X, 13X, 22X, 23X, 71X, 73X, 85X**.

- The following table describes the payment methodology Medicare will use for AAA Screening:

Facility	Type of Bill	Payment
Hospitals subject to OPPS	12X, 13X	OPPS
Method I and Method II Critical Access Hospitals (CAHs)	12X and 85X	101% of reasonable cost
IHS providers	13X, revenue code 051X	OMB-approved outpatient per visit all inclusive rate (AIR)
IHS providers	12X, revenue code 024X	All-inclusive inpatient ancillary per diem rate
IHS CAHs	85X, revenue code 051X	101% of the all-inclusive facility specific per visit rate
IHS CAHs	12X, revenue code 024X	101% of the all-inclusive facility specific per diem rate
SNFs **	22X, 23X	Non-facility rate on the MPFS
RHCs*	71X, revenue code 052X	All-inclusive encounter rate
FQHCs*	73X, revenue code 052X	All-inclusive encounter rate
Maryland Hospitals under jurisdiction of the Health Services Cost Review Commission (HSCRC)	12X, 13X	94% of provider submitted charges or according to the terms of the Maryland Waiver

*If the screening is provided in an RHC or FQHC, the professional portion of the service is billed to the FI using TOBs 71x and 73x, respectively, and the appropriate site of service revenue code in the 052x revenue code series. If the screening is provided in an independent RHC or freestanding FQHC, the technical component of the service can be billed by the practitioner to the carrier under the practitioner's ID following instructions for submitting practitioner claims to the Medicare carrier. If the

screening is provided in a provider-based RHC/FQHC, the technical component of the service can be billed by the base provider to the FI under the base provider's ID, following instructions for submitting claims to the FI from the base provider.

** The SNF consolidated billing provision allows separate part B payment for screening services for beneficiaries that are in skilled Part A SNF stays, however, the SNF must submit these services on a 22x bill type. Screening services provided by other provider types must be reimbursed by the SNF.

Implementation

The implementation date for this instruction is January 2, 2007.

Information Regarding Advanced Beneficiary Notices: Medicare contractors will deny an AAA screening service billed more than one in a beneficiary's lifetime.

If a second G0389 is billed for AAA for the same beneficiary or if any of the other statutory criteria for coverage listed in Section 1861(s)(2)(AA) of the Social Security Act are not met, the service would be denied as a statutory (technical) denial under Section 1861(s)(2)(AA), not a medical necessity denial.

If a provider cannot determine whether or not the beneficiary has previously had an AAA screening, but all of the other statutory requirements for coverage have been met, the provider should issue the ABN-G. Likewise, if all of the statutory requirements for coverage have been met, but a question of medical necessity still exists, the provider should issue the ABN-G.

Additional Information

The official instructions for CR 5235, issued to your Medicare carrier, FI, MAC, FQHC, RHC, SNF, or CAH regarding this change can be found at

<http://www.cms.gov/Regulations-and-Guidance/Guidance/Transmittals/downloads/R1113CP.pdf> on the CMS website. The Medicare Claims Processing Manual, Publication 100-04, Chapter 18, has been updated to include the requirements to implement section 5112 of the DRA of 2005. The new sections of this chapter address the payment and allowable settings for AAA and the sections are attached to CR5235.

If you have questions, please contact your Medicare carrier, MAC, or FI at their toll free number, which may be found at <http://www.cms.gov/Research-Statistics-Data-and-Systems/Monitoring-Programs/provider-compliance-interactive-map/index.html> on the CMS website.
