

News Flash - The 2008 Physician Election Period for the Medicare Part B Drug Competitive Acquisition Program (CAP) will begin on October 1, 2007 and concludes on November 15, 2007. The CAP is a voluntary program that offers physicians the option to acquire many injectable and infused drugs they use in their practice from an approved CAP vendor, thus reducing the time they spend buying and billing for drugs. Additional information about the CAP is available at <http://www.cms.gov/Medicare/Medicare-Fee-for-Service-Part-B-Drugs/CompetitiveAcquisforBios/index.html> on the CMS website. Please note that completed and signed physician election forms should be returned by mail to your local carrier. Forms must be postmarked on or before November 15, 2007. DO NOT return forms to CMS offices.

Provider Action Needed

Be sure your billing staff are aware of the billing rates that are effective for influenza and pneumococcal vaccines provided on or after September 1, 2007. These rates apply, **except where the vaccine is furnished in the hospital outpatient department, in which payment for the vaccine is based on reasonable cost.**

Background

Change Request (CR) 5744, from which this article is taken, provides the payment allowances for Influenza Virus Vaccines (Current Procedural Terminology (CPT) codes 90655, 90656, 90657, 90658, and 90660), and Pneumococcal Vaccine (CPT 90732 and 90669); when payment is based on 95% of the AWP.

Effective September 1, 2007, the Medicare Part B payment allowance in these situations is as follows:

Influenza vaccine payments are:

- CPT 90655 is \$16.109;
- CPT 90656 is \$17.366;
- CPT 90657 is \$6.609;
- CPT 90658 is \$13.218; and
- CPT 90660 (FluMist, a nasal influenza vaccine) is \$21.176 and providers should note that CPT 90660 may be covered in those cases where the local Medicare contractor determines that its use is medically reasonable and necessary for the beneficiary.

Pneumococcal vaccine payments are:

- CPT 90732 is \$29.730; and
- CPT 90669 is \$78.803.

Please note:

- These rates apply, except where the vaccine is furnished in the hospital outpatient department, where payment is based on reasonable cost.
- Annual Part B deductible and coinsurance amounts do not apply.

- All physicians, non-physician practitioners and suppliers who administer the influenza virus vaccination and the pneumococcal vaccination must take assignment on the claim for the vaccine.
- Your Medicare contractors will not search their files to adjust payment for claims paid prior to implementation of these changes; however, they will adjust claims that you bring to their attention.

Additional Information
