

News Flash - It's Not Too Late to Get the Flu Shot. We are in the midst of flu season and a flu vaccine is still the best way to prevent infection and the complications associated with the flu. But re-vaccination is necessary each year because flu viruses change each year. Please encourage your Medicare patients who haven't already done so to get their annual flu shot. – And don't forget to immunize yourself and your staff. Protect yourself, your patients, and your family and friends. Get Your Flu Shot – Not the Flu! Remember - Influenza vaccination is a covered Part B benefit. Note that influenza vaccine is NOT a Part D covered drug. Health care professionals and their staff can learn more about Medicare's coverage of adult immunizations and related provider education resources, by reviewing Special Edition MLN Matters article SE0748 at <http://www.cms.gov/Outreach-and-Education/Medicare-Learning-Network-MLN/MLNMattersArticles/Downloads/SE0748.pdf> on the CMS website."

Modification to the Model Medicare Redetermination Notice (for partly or fully unfavorable redeterminations)

Note: This article was updated on August 3, 2012, to reflect current Web addresses. All other information remains the same.

Provider Types Affected

All physicians, providers, and suppliers who bill Medicare contractors (carriers, fiscal intermediaries (FI), regional home health intermediaries (RHHI), Medicare Administrative Contractors (A/B MAC), or Durable Medical Equipment Medicare Administrative Contractors (DME MAC)) for services provided or supplied to Medicare beneficiaries.

What You Need to Know

CR 5836, from which this article is taken, modifies the Reconsideration Request Form that is included with the model Medicare Redetermination Notice (for partly or fully unfavorable redeterminations), to clarify the minimum set of elements on the form that you must complete in order for the request to be considered valid for

reconsideration. You should make sure that your billing staffs are aware that they must complete items 1, 2a, 6, 7, 11 & 12 on this Reconsideration Request Form.

Background

The Reconsideration Request Form modification that CR 5836 requires is necessary because the current Medicare manual instructions do not clearly identify all of the elements required for a reconsideration request to be considered valid in accordance with Medicare, Medicaid, and SCHIP Benefits Improvement and Protection Act of 2000 (BIPA) Section 405.964(b).

The modification to the form is as follows:

“Directions: If you wish to appeal this decision, please fill out the required information below and mail this form to the address shown below. At a minimum, you must complete/include information for items 1, 2a, 6, 7, 11 & 12 but to help us serve you better, please include a copy of the redetermination notice with your request.”

Those elements that, as a minimum, you must complete in the form are:

1. Name of Beneficiary
- 2a. Medicare Number
6. Item or service you wish to appeal
7. Date of the service (From and To dates)
11. Name of Person Appealing
12. Signature of Person Appealing/Date

Additional Information

You can find more information about the modification to the model Medicare Redetermination Notice (for partly or fully unfavorable redeterminations) by going to CR 5836, located at <http://www.cms.gov/Regulations-and-Guidance/Guidance/Transmittals/downloads/R1408CP.pdf> on the CMS website. The updated *Medicare Claims Processing Manual*, Chapter 29, Section 320.7 (Medicare Redetermination Notice (for partly or fully unfavorable redeterminations)) is an attachment to that CR.
