

News Flash – A Special Edition MLN Matters provider education article is now available at <http://www.cms.hhs.gov/MLNMattersArticles/downloads/SE0904.pdf> on the CMS website. This Special Edition article alerts providers regarding the implementation of HIPAA 5010 which presents substantial changes in the content of the data that providers submit with their claims as well as the data available to them in response to their electronic inquiries and outlines how providers need to plan for implementation of these changes.

MLN Matters® Number: MM6480

Related Change Request (CR) #: 6480

Related CR Release Date: May 15, 2009

Effective Date: July 1, 2009

Related CR Transmittal #: R1739CP

Implementation Date: July 6, 2009

July 2009 Integrated Outpatient Code Editor (I/OCE) Specifications Version 10.2

Provider Types Affected

All providers who submit institutional outpatient claims (including non-outpatient prospective payment system (non-OPPS) hospitals) to Medicare Administrative Contractors (MACs), fiscal intermediaries (FIs), or Regional Home Health Intermediaries (RHHIs) for outpatient services provided to Medicare beneficiaries.

Provider Action Needed

This article is based on Change Request (CR) 6480, which notifies providers that the I/OCE Specifications Version 10.2, is effective July 1, 2009. Be sure billing staffs are aware of these changes.

Background

CR 6480 informs Medicare contractors and providers that the Integrated OCR (I/OCE) will be updated for July 1, 2009. CR 6480 provides the Integrated OCE instructions and specifications for the I/OCE that will be utilized under the OPPS and Non-OPPS for hospital outpatient departments, community mental health centers (CMHCs), and for all non-OPPS providers, and for limited services when provided in a home health agency (HHA) not under the Home Health Prospective
