Reminder Regarding Medicare Billing Rules for Ambulance Services Rendered to Medicare Patients During an Inpatient Hospital Stay

Note: This article was updated on February 26, 2013, to reflect current Web addresses. All other information remains unchanged.

Provider Types Affected

Suppliers of ambulance services billing Medicare carriers for services provided to Medicare patients during an inpatient hospital stay.

Provider Action Needed

STOP – Impact to You

The purpose of this Special Edition is to remind ambulance service suppliers of the rules regarding payment for certain services provided to Medicare patients in an inpatient hospital stay.

CAUTION – What You Need to Know

The Centers for Medicare & Medicaid Services (CMS) will add an edit in the Medicare's claims processing systems to prevent payment by carriers for services that are bundled in the hospital's payment under the applicable inpatient Prospective Payment System (PPS).

GO – What You Need to Do

Please see the Background and Additional Information Sections of this article for further details.

Background

The Social Security Act (Section 1886(d) and (g)) established several Prospective Payment Systems (PPS) for inpatient services furnished to Medicare beneficiaries, and under the inpatient PPSs, Medicare Fiscal Intermediaries (FIs) reimburse hospitals a predetermined amount for services furnished to Medicare beneficiaries based on the beneficiary's condition and severity of treatment modalities.

All services received by hospital inpatients must be supplied by the hospital either directly or under arrangements. With the exception of the days of admission and discharge, costs for transportation of a

hospital inpatient by ambulance (to and from another hospital, freestanding facility, or physician's office) to receive specialized services, and costs for radiology services (including computed tomography scans) furnished to inpatients by a physician's office, another hospital or a radiology clinic are not payable by Medicare.

CMS will add an edit in its claims processing systems to prevent payment by carriers for services that are bundled to the hospital. As an initial implementation of this policy, Medicare will cease making payments to independent suppliers of ambulance services for beneficiaries in an inpatient hospital stay.

Additional Information

As a reminder, all Medicare claims processing information is in the Medicare Claims Processing Manual. This manual may be viewed at <http://www.cms.gov/Regulations-and-Guidance/Guidance/Manuals/index.html> on the CMS website.
