

News Flash - Beginning January 1, 2009, eligible professionals can participate in the E-Prescribing Incentive Program by reporting on their adoption and use of an e-prescribing system by submitting information on one e-prescribing measure on their Medicare Part B claims. For the 2009 e-prescribing reporting year, to be a successful e-prescriber and to qualify to receive an incentive payment, an eligible professional must report one e-prescribing measure in at least 50% of the cases in which the measure is reportable by the eligible professional during 2009. There is no sign-up or pre-registration to participate in the E-Prescribing Incentive Program. For more information, visit <http://www.cms.hhs.gov/PQRI> and select "E-Prescribing Incentive Program" in the left-hand column.
