Activity Planners/Developers/Instructors

Shannon Vaughn-Developer

Ms. Vaughn has been employed by StrategicHealthSolutions, LLC, a CMS contractor that provides education for Medicare Fee-For-Service Providers, from February 2013 to the present. Previously, she was employed by a non-profit health care coalition.

Mark David Pilley, MD-Reviewer

Dr. Mark Pilley, MD, AAFP, AADEP, ABQAURP, currently serving as Medical Director for StrategicHealthSolutions, LLC (SHS). He has more than 16 years of experience in Medicare, including development of Local Coverage Determinations (LCDs) under Medicare in applying Medicare benefit coverage guidelines and medical policies in performance of Medicare claim determinations and audits.

As the Medical Director for SHS, his responsibilities include providing support and subject matter expertise in performing medical review audits and reports, monitoring the consistency and accuracy of medical review determinations. He assists in providing oversight of quality assurance activities and providing medical expertise with regard to benefit integrity matters. He also provides subject matter expertise in support of Medicaid Provider Outreach and Education. He is also participating as a Co-Lead on the CMS esMD and Author of Record (AoR) Workgroups for implementation of electronic requests and receipt of medical documentation related to Medicare beneficiary services.

Amie Schippa-Developer

Ms. Schippa has been employed by StrategicHealthSolutions, LLC (Strategic), a CMS contractor that provides education for health care professionals, since August 2012. She has been a Subject Matter Expert for the Medicare Outreach and Quality Assurance contract since August 2013, and previously a Medicaid Subject Matter Expert for the EdMIC Contract. Previous to her employment with Strategic, she was employed by both the State of Michigan and the State of Iowa Department of Human Services working with a variety of Medicaid programs, including dual eligibles. She also spent several years in management for Iowa DHS supervising the State's centralized Medicaid unit for clients in long term care facilities.

Elizabeth Uruga, JD -Developer

Ms. Uruga has been employed by StrategicHealthSolutions, LLC (Strategic), a CMS contractor that provides education for health care professionals, from March 2010. She has been Program Manager for the Medicare Outreach and Quality Assurance contract since February 2013. Previous to her employment with Strategic, she was employed by a Medicare Administrative Contractor (MAC) in the Provider Outreach and Education department.

Megan Dimmock-Developer

Mrs. Dimmock has been employed by StrategicHealthSolutions, LLC (Strategic), a CMS contractor that provides education for health care professionals, since December 2014. Previous to her employment with Strategic, she was employed by NCI AdvanceMed, an NCI Company (AdvanceMed) as a Senior Program Integrity Analyst for nearly four years. In her time with AdvanceMed she completed reviews of complex Medicare investigations from inception and development to resolution while educating providers about Medicare regulations.

Nicholas Trede-Developer

Mr. Trede has been employed by StrategicHealthSolutions, LLC, a CMS contractor that provides education for Medicare Fee-For-Service Providers, from August 2011 to December 2013 as a Medicare Subject Matter Expert, at which time was promoted to a Medicare Content Review Manager. Previously, he was employed by the Nebraska Senior Health Insurance Information Program as a Training Specialist.

Anna Brown-Developer

Ms. Brown has been employed by the Centers for Medicare & Medicaid Services from September 2010 as a Health Care Insurance Specialist. Ms. Brown earned a Juris Doctorate with an emphasis on Public Interest law. She develops and edits Medicare Learning Network fact sheets and web-based training courses. Additionally, she has completed numerous Quality Assurance reviews of Medicare Learning Network (MLN) Publications.
