November 20, 2009

Dear Clinician Outreach and Communication Activity (COCA) Partner,

The CDC is committed to providing information to its partners, so that you can stay informed and communicate accurate information to your constituents. Please remember to send any questions or comments to [coca@cdc.gov](mailto:coca@cdc.gov). We want to ensure that these updates are timely and helpful.

To assist in your efforts, please see the following materials and resources:

**A. Key Points, Key Messages and FluView**

Attached please find CDC's 2009 H1N1 Key Points and Key Messages for November 20, 2009. To access the updated CDC FluView for 2009 – 2010 Influenza season Week 45 ending November 14, 2009 please visit:

<http://www.cdc.gov/flu/weekly/>

**B. CDC Vaccine Data – VAERS Summary**

CDC and FDA will be providing weekly updates on our vaccine safety monitoring activities in an effort to better characterize data that are publicly available through the Vaccine Adverse Event Reporting System (VAERS). Attached please find a *Summary of 2009 Monovalent H1N1 Influenza Vaccine Data – Vaccine Adverse Event Reporting System* data through November 13, 2009.

**C. 2009 H1N1 Flu CDC Media Briefing**

Weekly 2009 H1N1 Flu CDC Media Briefing are archived and available at [www.flu.gov](http://www.flu.gov). The transcript and audio for the CDC Media Briefing on H1N1 flu and vaccine distribution (November 20, 2009) is available at: [www.cdc.gov/media](http://www.cdc.gov/media)

**D. New and Updated Interim Guidance and Links to Resources for Clinicians**

**New:** Vaccine Information for Clinicians and Health Care Professionals - Vaccine Dosage, Administration, and Storage

<http://www.cdc.gov/h1n1flu/vaccination/professional.htm>

**New:** Information for Vaccine Planners - Supply and Distribution

<http://www.cdc.gov/h1n1flu/vaccination/planners.htm>

US Labor Department's OSHA issues compliance directive to address flu prevention for health care workers (News Release)
