Novel Influenza A H1N1: CDC Investigates Human Cases

Dear Clinician Outreach and Communication Activity (COCA) Partner,

The CDC is committed to providing information to its partners, so that you can stay informed and communicate accurate information to your constituents. Please remember to send any questions or comments to coca@cdc.gov. We want to ensure that these updates are timely and helpful.

To assist in your efforts, please see the following materials and resources:

A. Key Points

- Attached please find the CDC Key Points

B. MMWR - Use of Influenza A (H1N1) 2009 Monovalent Vaccine

- Attached, please find the *MMWR Dispatch, Use of Influenza A (H1N1) 2009 Monovalent Vaccine*. This report provides recommendations by CDC's Advisory Committee on Immunization Practices (ACIP) regarding the use of vaccine against infection with novel influenza A (H1N1) virus.
