Novel Influenza A H1N1: CDC Investigates Human Cases

Dear Clinician Outreach and Communication Activity (COCA) Partner,

The CDC is committed to providing information to its partners, so that you can stay informed and communicate accurate information to your constituents. Please remember to send any questions or comments to coca@cdc.gov . We want to ensure that these updates are timely and helpful.

To assist in your efforts, please see the following materials and resources:

A. Key Points

- Attached please find the CDC Key Points

B. MMWR - Children H1N1 Deaths

- Attached, please find the *MMWR Dispatch, Children H1N1 Deaths*. This report provides data on surveillance for pediatric deaths associated with 2009 Pandemic Influenza A (H1N1) virus infection - United States, April - August 2009.

C. Interim Guidance for Reporting Influenza – Associated Hospitalizations & Deaths for the 2009 – 2010 Season (PDF).

D. State/Jurisdiction Contact Information for Providers Interested in Providing H1N1 Vaccine
