Dear Clinician Outreach and Communication Activity (COCA) Partner,

CDC is committed to providing information to its partners, so that you can stay informed and communicate accurate information to your constituents.

We would like to provide you with the talking points document (attached pdf) from the U.S. Department of Health and Human Services, with an update on activities being implemented, in response to the earthquake in Haiti.

We want to ensure that these updates are timely and helpful. Please remember to send any questions or comments to coca@cdc.gov.
