

MLN Connects® National Provider Call – Post-Call Transcript Clarification

CALL DATE: September 18, 2015

CALL TITLE: Hospital Inpatient and LTCH PPS FY 2016 Final Rule

CLARIFICATION:

Transcript Page 6

Currently reads: “We also finalized the removal of AMI-7a, as the measure does not result in better patient outcomes and does align with current clinical guidelines or practices, and publicly reporting of this measure leads to negative or unintended consequences and patient harm.”

Correction – Page 6

“We also finalized the removal of AMI-7a, as the measure does not result in better patient outcomes and it creates a large burden for hospitals to report and yields too few relevant cases for public reporting for most hospitals.”

Transcript Page 18

Currently reads: “Yes, that’s right, there is. But I must have missed that in my presentation.”

Correction – Page 18

“We did not propose nor finalize Excess Day PN measure for FY 18.”
