

Medicare Learning Network® (MLN) Event Transcript Clarification

Event Title: [Medicare Diabetes Prevention Program Model Expansion Listening Session](#)

Event Date: August 16, 2017

Clarifications

1. Transcript Page 4, second paragraph, second sentence

Currently reads: “And this year, we are proposing and hope to finalize the remaining policies in order to go live with this new service and new covered preventive **benefit** for beneficiaries in 2018.”

Correction

Should read: “And this year, we are proposing and hope to finalize the remaining policies in order to go live with this new service and new covered preventive **service** for beneficiaries in 2018.”

2. Transcript Page 5, fifth paragraph, third sentence

Currently reads: “The first 6 months of the core **benefit** include 16 core sessions, which happen at a greater frequency.”

Correction

Should read: “The first 6 months of the core **services** include 16 core sessions, which happen at a greater frequency.”

3. Transcript Page 12, sixth paragraph, second sentence

Currently reads: “And some examples of these standards include that suppliers cannot **be terminated from Medicaid...**”

Correction

Should read: “And some examples of these standards include that suppliers cannot **have their billing privileges terminated for-cause or be excluded by a State Medicaid agency ...**”

4. Transcript Page 16, thirteenth paragraph, third sentence

Currently reads: “The certification had to include data that supported the in-person expanded model.”

Correction

Should read: “The certification only included data that supported in-person delivery with virtual make ups permitted.”

5. Transcript Page 17, thirteenth paragraph, first sentence

Currently reads: “And just briefly, it does require MA plans to provide **this benefit...**”

Correction

Should read: “And just briefly, it does require MA plans to provide **MDPP services...**”
