

# Medicare Learning Network® (MLN) Event Presentation Clarification Transcript Clarification

**Event Title:** [Quality Payment Program: Answering Your Frequently Asked Questions Call](#)

**Event Date:** May 16, 2018

## Presentation Clarification

### 1. Slide 18, last bullet

Previously read: “When will additional clinician types (e.g., dietitians, social workers, physical therapists, dentists, speech pathologists) be eligible to participate in MIPS?”

**Correction:**

Currently reads: “When will additional clinician types (e.g., dietitians, social workers, physical therapists, speech pathologists) be eligible to participate in MIPS?”

## Transcript Clarification

### 2. Page 11, 5th paragraph

Sure, so by law, those that are eligible for MIPS, the clinician types are, again, the physician assistant, physician – or physicians, physician assistants, clinical nurse specialists, certified registered nurse anesthetists, and clinical nurse specialists.

**Correction:**

Sure, so by law, those that are eligible for MIPS, the clinician types are, again, the physician – or physicians, physician assistants, nurse practitioners, certified registered nurse anesthetists, and clinical nurse specialists.
