**Feedback on Physician Compare Redesign & Public Reporting Accepted through January 14**

CMS is providing an opportunity to preview the redesigned Physician Compare website prior to its release early this year. CMS has posted a pre-recorded Webinar and accompanying materials regarding the Physician Compare redesign and plans for public reporting on the site. You may access the Redesign and Public Reporting Webinar and send your feedback via email. To access the Webinar, visit the [CMS Physician Compare Initiative webpage](#) and scroll down to the “download” section for accompanying materials and the “related links” section for the link to the Webinar video.

***Please note that all feedback must be submitted in writing and should not exceed 2 pages. Feedback will be accepted now through January 14, 2013.***

If you have any questions, please email [PhysicianCompare@Westat.com](mailto:PhysicianCompare@Westat.com).
