Conference Call Only

The Center for Program Integrity (CPI) will host a Special Open Door Forum (ODF) to introduce physicians, practitioners, suppliers and all other interested parties to the first *DRAFT* chapter of our *new* Provider Documentation Manual. To reduce administrative provider burden, CMS is creating a new internet-only manual. We are listing all the documentation that's required for Medicare payment in one central location – the Provider Documentation Manual. The first *DRAFT* section in this new manual is Home Oxygen Therapy. Each section will be on a specific item or service.

CPI will post the manual section along with checklists for physicians/practitioners and suppliers to our website. CPI hopes physicians/practitioners and suppliers can use these resources to ensure all relevant information required to support Medicare coverage of home oxygen is in their documentation.

ODF participants can provide feedback and ask questions about the Provider Documentation Manual section on Home Oxygen Therapy.

For more information please refer to: <https://www.cms.gov/Research-Statistics-Data-and-Systems/Monitoring-Programs/Medicare-FFS-Compliance-Programs/ReducingProviderBurden.html>

Please send feedback and questions to: [ProviderDocumentationManual@cms.hhs.gov](mailto:ProviderDocumentationManual@cms.hhs.gov)

We look forward to your participation.
