Special Open Door Forum:

Medicare's Prior Authorization for Power Mobility Devices Demonstration

Wednesday, October 24, 2012  
2:00pm - 3:00pm Eastern Time  
Conference Call Only

The purpose of this Special Open Door Forum (ODF) is to provide an opportunity for **suppliers and providers** to hear more and ask questions about the Demonstration. **This demonstration has started for orders written on or after September 1, 2012.**

The Centers for Medicare & Medicaid Services (CMS) will conduct a demonstration that will implement a prior authorization process for certain medical equipment for all people with Medicare who reside in seven states with high populations of fraud- and error-prone providers (California, Florida, Illinois, Michigan, New York, North Carolina, and Texas). This is an important step toward paying appropriately for certain medical equipment that has a high error rate. This demonstration will help ensure that a beneficiary's medical condition warrants their medical equipment under existing coverage guidelines. Moreover, the program will assist in preserving a Medicare beneficiary's right to receive quality products from accredited suppliers.

CMS has received an OMB control number 0938-1169 associated with the information collection for this demonstration. CMS displayed a Federal Register (FR) Notice on August 1, 2012 announcing a September 1, 2012 start date of the demonstration (see download below). The start date of the demonstration is based on the date of the written order.
