1. Opening Remarks and Announcements

Announcements for Medicare: Oct 15-Dec 7 sign-up and Healthcare.gov Nov 1-Jan 31 signup

Announcement: As part of our mission to empower and engage consumers, HHS will be hosting a multi-stakeholder convening in early 2016 on the topic of connecting to care and navigating the health care system. Specifically, as we move beyond open enrollment, how can we partner together to make sure that people are understanding and using their insurance coverage, connecting and staying in contact with providers, and effectively navigating the health care system? As a trusted resource for patients, what role do providers have to play in this process? If your organization is interested in participating in this convening or discussing partnerships, please contact us via the email that will be sent shortly after this call, and we will follow up with you.
