Special Open Door Forum:
Furnishing and Billing for the Technical Component of Advanced Diagnostic Imaging
Tuesday, March 22, 2011
2:00 pm to 3:30 PM EST
Conference Call Only

The CMS will hold a Special Open Door (ODF) to review the accreditation requirements for all physician offices that bill for the technical component of advanced diagnostic imaging. All those suppliers responsible for any aspect of this program would benefit from this Open Door Forum. CMS will review:

1. The law governing the requirement for accreditation of advanced diagnostic imaging;
2. Who needs to be accredited in order to bill Medicare for the technical component starting January 1, 2012;
3. The accreditation process – steps to follow and timeline;
4. Why it is necessary to begin preparations now in order to prevent a disruption in payment.

We look forward to your participation.
