

Some things you're
just stuck with.

Your Medicare plan
isn't one of them.

Now's the time to get the most out of your Medicare.

Open Enrollment is from November 15th to December 31st.

- Review your current health and prescription plans.
- If you're satisfied with your current plan's cost and coverage for next year and the customer service you receive, you don't need to do anything.
- If you want to change, check into other options. There may be plans that better meet your needs.
- Enroll as soon as possible – the sooner the better – to avoid any inconvenience at the pharmacy counter in January.

Where to get help:

- Attend a Medicare event in your community.
- Go to www.medicare.gov for plan comparisons.
- Call 1-800-MEDICARE (TTY 1-877-486-2048).

My Health.
My Medicare.
