

# Now's the time to get the most out of your Medicare

Open Enrollment is from November 15th to December 31st

## Take the Medicare Enrollment Check-up

### What to do:

- Review your current health and prescription plans.
- If you're satisfied with your current plan's cost and coverage for next year and the customer service you receive, you don't need to do anything.
- If you want to change, check into other options. There may be plans that better meet your needs.
- Enroll as soon as possible – the sooner the better – to avoid any inconvenience at the pharmacy counter in January.

### Where to get help:

- Attend a Medicare event in your community.
- Go to [www.medicare.gov](http://www.medicare.gov) for plan comparisons.
- Call 1-800-MEDICARE (TTY 1-877-486-2048).
