

CMS Snapshot

April 18-25, 2019

Delivered to you by the Partner Relations Group

Blog Entries:

*April 18- [3 questions to ask your doctor](#). It's important to understand what services are covered by your insurance plan and what your costs may be before your doctor's appointment. Here are some questions to ask.

*April 22- [Celebrate Earth Day- Medicare Style](#). More than 190 countries celebrate Earth Day on April 22—a day for encouraging awareness and action to help protect our environment. How can you make your voice heard this year? Let Medicare help! Sign up for a [MyMedicare.gov](#) account and take advantage of Medicare's electronic resources to help you manage your health care and get rid of unnecessary paper.

News Releases

*April 19- [HHS Announces Next Steps in Advancing Interoperability of Health Information](#). The U.S. Department of Health and Human Services (HHS) [issued for public comment](#) draft 2 of the Trusted Exchange Framework and Common Agreement (TEFCA) that will support the full, network-to-network exchange of health information nationally. HHS also released a notice of funding opportunity to engage a non-profit, industry-based organization that will advance nationwide interoperability.

*April 19- [HHS Extends Comment Period for Proposed Rules to Improve the Interoperability of Electric Health Information](#). The U.S. Department of Health and Human Services (HHS) announced it is extending the public comment period by 30 days for two proposed regulations aimed at promoting the interoperability of health information technology (health IT) and enabling patients to electronically access their health information. The new deadline for the submission of comments – June 3, 2019 – will allow additional time for the public to review the proposed regulations.

*April 22- [HHS To Deliver Value-Based Transformation in Primary Care](#). U.S. Department of Health and Human Services (HHS) Secretary Alex Azar and Centers for Medicare & Medicaid Services (CMS) Administrator Seema Verma are announcing the CMS Primary Cares Initiative, a

new set of payment models that will transform primary care to deliver better value for patients throughout the healthcare system.

*April 22- [HHS News: HHS To Deliver Value-Based Transformation in Primary Care](#). U.S. Department of Health and Human Services (HHS) Secretary Alex Azar and Centers for Medicare & Medicaid Services (CMS) Administrator Seema Verma are announcing the CMS Primary Cares Initiative, a new set of payment models that will transform primary care to deliver better value for patients throughout the healthcare system.

*April 22- [Medicare Trustees Report shows Hospital Insurance Trust Fund will deplete in 7 years](#). The Medicare Board of Trustees released their annual report for Medicare's two separate trust funds -- the Hospital Insurance (HI) Trust Fund, which funds Medicare Part A, and the Supplementary Medical Insurance (SMI) Trust Fund, which funds Medicare Part B and D.

*April 22- [Secretary Azar Statement on Medicare Trustees Report](#). "Today's seniors and future generations need certainty that Medicare will be there to support them now and in the future. This year's Trustees Report provides a sobering reminder that we have much work to do to make good on that goal."

*April 23- [Speech: Remarks by Administrator Seema Verma at the CMS National Forum on State Relief and Empowerment Waiver](#). "It's truly a pleasure to welcome you to the CMS National Forum on State Relief and Empowerment Waivers. It was just six months ago that President Trump stood where I'm standing today to announce the Administration's new direction to lower prescription drug prices, making it very clear that in health care, it is not business as usual on his watch."

*April 23- [CMS Advances Agenda to Re-think Rural Health and Unleash Medical Innovation](#). The Trump Administration proposed changes that build on the progress made over the last two years and further the agency's priority to transform the healthcare delivery system through competition and innovation while providing patients with better value and results.

*April 24- [HHS Secretary Azar Statement on Measles Outbreaks and the Importance of Vaccines](#). "The United States is seeing a resurgence of measles, a disease that had once been effectively eliminated from our country. And today, the Centers for Disease Control and Prevention has confirmed that ongoing measles outbreaks in 22 states has led to the highest number of cases reported nationwide since the disease was declared eliminated in this country in 2000."

*April 25- [Speech: Remarks by Administrator Seema Verma at the National Association of Accountable Care Organizations \(NAACOS\) Spring 2019 Conference](#). "Good morning and thank you for the opportunity to speak today. I want to start by thanking Clif Gaus for inviting me to be here – and for his partnership."

Fact Sheets

*April 19- [Proposed Fiscal Year 2020 Payment and Policy Changes for Medicare Skilled Nursing Facilities \(CMS-1718-P\)](#).
