

CMS CAREGIVER WORKGROUP
November 16, 2006
9:30 AM-11:30 AM
750 First Street, NE, Conference Room 5083
(American Psychological Association Building)
(Near Union Station)

AGENDA

- I. Introductions:**
9:30 AM–9:35 AM
- II. Dr. Debra Nichols, Office of Disease Prevention and Health Promotion, DHHS: What is the “Healthy People 2010 Midcourse Review”?**
9:35 AM-9:50 AM

Debra will speak about “Healthy People 2010 Midcourse Review” and the plans for the 2020 objectives and opportunity for public comment.

- III. Emilie Parker, American Red Cross: What are the Newest Caregiver Products from American Red Cross (ARC)?**
9:50 AM-10:20 AM

ARC is a partner to many organizations in the community, helping seniors prepare and respond to emergencies, teaching first aid, preparedness, family caregiving and nurse assistant training and providing direct services like transportation, adult day care, meals on wheels and shopping services. Emilie will be sharing some of the models ARC has used to help seniors and to collaborate with other senior serving organizations. Emilie will also share some of the programs ARC has developed for seniors that can be used to help ARC work with your organizations to further the goals and purposes of senior focused organizations. ARC is also pleased to announce a new consumer book with DVD on Skills for Family Caregiving which will be available at the meeting.

**IV. Michelle Stone, Fannie Mae: How Does Fannie Mae Help Employees with Their Caregiving Needs?
10:20 AM-10:50 AM**

Michelle will discuss what Fannie Mae, as a corporation, is doing to assist employees with their elder caregiving responsibilities. This will include information on their innovative Eldercare Program and how they partnered with Iona Senior Services to bring on a full time Eldercare Consultant.

**V. Renata McGrif, CareTALK: Why is CareTALK a New Way of Looking at Caregivers?
10:50 AM-11:15 AM**

Renata, the Founder and President of CareTALK will discuss the multi-platform communication approach of CareTALK to caregiving as multi-dimensional integral part of everyday existence.

**VI. Bob Boggio, Centers for Medicare & Medicaid Services: What is CMS Campaign for Preventive Services?
11:15-11:25 AM**

Bob will discuss the multifaceted CMS campaign for preventive services including objectives, how it is being implemented, new publications, and other background information.

**VII. Information Sharing:
11:25-11:30 AM**

VIII. Adjourn
