

RESOURCES

The CMS National Training Program (NTP) is the official CMS source for consistent, accurate, and reliable information about the CMS administered programs—Medicare, Medicaid, the Children’s Health Insurance Program, and the Federally-facilitated Marketplace. Materials are designed for use by CMS partners, stakeholders, not-for-profit professionals and volunteers who work with consumers and their families to provide the information and assistance they need to make informed decisions about their health care coverage.

[National Train-the-Trainer Workshops](#)

Each year, we host a series of face-to-face training events nationwide. These workshops are designed for partners who train others, or work with consumers. They include knowledge checks and activities that reinforce learning to keep sessions lively and interesting.

[PowerPoint® Presentations/Training Modules](#)

We’ve developed a series of stand-alone training modules on a variety of topics relating to CMS’ programs. Each presentation includes slides that can be tailored to meet the needs of your audience and also speaker’s notes in an accompanying downloadable study guide.

[Monthly Update Webinars](#)

Our monthly webinar training series features CMS policy experts who discuss current topics and answer questions. Sessions are recorded and archived, along with a transcript and corresponding PowerPoint® presentations for easy access.

[Health Insurance Marketplace](#)

Access partner training materials including presentations and videos.

[Web-Based Training](#)

We provide virtual training sessions to keep our nationwide partners current on a variety of topics. We also offer webinars that allow participants to earn Continuing Education Units (CEUs) on an annual basis.

[Job Aids](#)

We have a series of job aids and learning tools that supplement our training materials. Job aids provide details on key concepts in easy-to-understand formats, reinforce program knowledge, and encourage retention and understanding.

[Medicare Plan Finder Products](#)

We offer a comprehensive set of tutorials and a Tip Sheet to help you maximize your Plan Finder results. These tutorials include Getting Started with Plan Finder, Entering Your Prescription Drugs, Refining and Sorting Plan Results, and Comparing Plans.

[Videos](#)

We offer videos including, Medicare Basics in American Sign Language (ASL) and Understanding the Health Insurance Marketplace, to help educate and enhance training sessions.
