**SUBJECT:** 2015 Medicare Part D Low-Income Subsidy (LIS) Income and Resource Standards

The purpose of this memorandum is to provide updated income and resource standards for individuals who apply for the low-income subsidy (LIS) for Medicare Part D. The Centers for Medicare & Medicaid Services (CMS) is required by law to update the income and resource limits each year.

Attached are the tables of the 2015 Poverty Guidelines for the 48 contiguous states and the District of Columbia (Attachment 1), Alaska (Attachment 2), and Hawaii (Attachment 3). We have also attached a description of the methodology that CMS used to update resource limits for 2015 (Attachment 4). (These were previously released to plans on November 21, 2014, but are attached here for convenience.) The new income and resource standards will be applied to all LIS applications filed on or after January 1, 2015.

**Resource Limits for the Medicare Part D Low-Income Subsidy:  
Annual Adjustment for 2015**

To apply and qualify for the Part D low-income subsidy, Medicare beneficiaries must have resources no greater than the resource limits established by the Medicare Modernization Act (MMA). In 2014, to qualify for the full low-income subsidy, Medicare beneficiaries are required to have resources below or equal to \$7,160 (\$10,750 if married). Medicare beneficiaries are required to have resources below or equal to \$11,940 (\$23,860 if married) to qualify for other low-income subsidies. When determining whether a beneficiary qualifies for the Medicare Part D low income subsidy, \$1,500 per person in resources are excluded from consideration if the beneficiary indicates that they expect to use some of their resources for burial expenses as authorized under 20 CFR 416.1231. Therefore, these resource limits are increased by \$1,500 per person if the beneficiary expects to use some of their resources for burial expenses and indicates as such to the Social Security Administration.

The MMA directs CMS to update the resource limits for the low-income subsidy each year. This notice provides: (i) the method for updating the resource limits, (ii) the 2015 low-income subsidy resource limits, and (iii) the 2015 cost-sharing for low-income subsidy eligible enrollees.

**I. Calculation Methodology**

Section 1860D-14(a)(3)(D) of the Social Security Act (SSA) requires CMS to use the annual percentage increase in the Consumer Price Index, All Urban Consumers (all items, U.S. city average) as of September of the previous year to update the resource limits for the low-income subsidy. CMS used the September 2013 and the September 2014 CPI values from the Bureau of Labor Statistics to calculate the annual percentage increase. The annual percentage increase in CPI for contract year 2015 is calculated as follows:

$$\frac{\text{September 2014 CPI}}{\text{September 2013 CPI}} \text{ or } \frac{238.031}{234.149} = 1.01658$$

(Source: Bureau of Labor Statistics, Department of Labor)

Therefore, the 2014 increase factor for the low-income subsidy resource limits is 1.66%. Per the statute, the resource limits are increased by 1.66% for 2015 and rounded to nearest multiple of \$10. Therefore, the resource limit required for beneficiaries to qualify for the full low-income subsidy is increased from \$7,160 (\$10,750 if married) to \$7,280 (\$10,930 if married) for 2015. The resource limit required to qualify for partial low-income subsidies is increased from \$11,940 (\$23,860 if married) to \$12,140 (\$24,250 if married) for 2015.

**II. Table of Resource Limits Used to Determine Eligibility for Low-Income Subsidy (LIS)**

LIS Level*	Marital Status	2014 LIS Resource Limit**	2015 LIS Resource Limit**
Full Subsidy LIS	Single	\$8,660	\$8,780
	Married	\$13,750	\$13,930
All Other LIS	Single	\$13,440	\$13,640
	Married	\$26,860	\$27,250

\*Section 3304 of the ACA amends 1860D-14(a)(3)(B) of the Act by adding a special rule for widows and widowers regarding eligibility for low-income assistance. Effective 1/1/2011, redeterminations of eligibility for an LIS-eligible individual whose spouse has died are extended for one year beyond the date when his/her eligibility would have otherwise ended.

\*\*These resource limits include \$1,500 per person for burial expenses.

**III. Low-Income Subsidy Eligible Beneficiary Cost-sharing**

As required by statute, each year the co-payments for low-income subsidy eligible beneficiaries under the basic benefit are indexed to the increase in average total drug expenses of Medicare beneficiaries. The maximum copayments below the out-of-pocket threshold for certain low-income full subsidy eligible enrollees as well as the deductible and the maximum copayments above the out-of-pocket threshold for partial subsidy eligible enrollees are updated by the annual percentage increase in average expenditures for Part D drugs. In addition, the maximum copayments below the out-of-pocket threshold for full benefit dual eligible enrollees with incomes that do not exceed 100% of the Federal poverty line (FPL) are updated by the annual percentage increase in the Consumer Price Index. For additional information on the updating of these Part D benefit parameters, please refer to the April 7, 2014 guidance, titled “Announcement of Calendar Year (CY) 2015 Medicare Advantage Capitation Rates and Medicare Advantage and Part D Payment Policies and Final Call Letter” (2015 Rate Announcement and Call Letter) available on the CMS website at <http://www.cms.gov/Medicare/Health-Plans/MedicareAdvgtgSpecRateStats/Announcements-and-Documents.html>. Please see the table below for the updated cost-sharing for low-income subsidy eligible beneficiaries in 2015.
