A New Year of Learning

The CMS National Training Program is looking forward to the New Year and providing information to our partners on the Medicare and Health Insurance Marketplace.

We're developing materials in different formats and delivery methods so that we can provide you with the learning tools you need, when you need them, in a manner that helps you successfully learn the information.

Please let us know if there are any topics that you are especially interested in learning about. You can share your thoughts with us via e-mail at training@cms.hhs.gov.
