MEDICARE OPEN ENROLLMENT RESOURCES

All people with Medicare can change their health and prescription drug coverage for 2014 during the Medicare Open Enrollment Period that begins on October 15, 2013 and ends on December 7, 2013.

Information on 2014 plans is available on the Medicare Plan Finder Tool which is available on the Medicare.gov website at <https://www.medicare.gov/find-a-plan/questions/home.aspx>.

The CMS National Training team has developed a 2013 Open Enrollment Presentation that you can use to help

people with Medicare understand their options during this enrollment period. You'll be able to help them understand how to compare Medicare plans and know where to go for additional resources. The presentation is posted on-line in the [2013 Open Enrollment Toolkit](#) in the CMS NTP Training Library.
