

Closing Remarks

Stacey Plizga, Provider Resources, Inc.

Stacey Plizga:

And that brings us to the end of the conference. So I'd like to thank all of you who hung in there with us today. Certainly a long day, and we do appreciate it. But lots of great information for you today. Just a couple of remarks. Thank you to all of our webcast participants and to our in-house guests for participating today, and a big thank you to all of our presenters today. It's a huge commitment, and we really do appreciate the time and effort that you put into preparing your presentations today, so thank you very much.

Remember to obtain your CEU credits and to fill out the survey at the very end. That will be e-mailed to you, and, again, we will notify you all of the audio and video files are posted to the website. Thank you everybody, and have a great evening.
