I. GENERAL INFORMATION

A. Background: This recurring update notification provides instructions to the Medicare Administrative Contractors regarding the CY 2020 payment limit for Rural Health Clinics (RHCs).

B. Policy: Medicare Part B payment to RHCs is 80 percent of the All-Inclusive Rate (AIR), subject to a payment limit for medically necessary medical, and qualified preventive face-to-face visits with a practitioner and a Medicare beneficiary for RHC services. As authorized by §1833(f) of the Social Security Act (the Act), the payment limits for a subsequent year shall be increased in accordance with the rate of increase in the Medicare Economic Index (MEI). Based on historical data through second quarter 2019, the CY 2020 MEI is 1.9 percent. The RHC payment limit per visit for CY 2020 is $86.31 effective January 1, 2020 through December 31, 2020. The CY 2020 RHC payment limit reflects a 1.9 percent increase above the CY 2019 payment limit of $84.70.

To avoid unnecessary administrative burden, contractors shall not retroactively adjust individual RHC bills paid at a previous payment limit. However, contractors retain the discretion to make adjustments to the interim payment rate or a lump sum adjustment to total payments already made to take into account any excess or deficiency in payments to date.
