SUBJECT: October Quarterly Update to 2007 Annual Update of HCPCS Codes Used for Skilled Nursing Facility (SNF) Consolidated Billing (CB) Enforcement

Effective Date: April 1, 2002

Implementation Date: October 1, 2007

I. GENERAL INFORMATION

A. Background: The CMS periodically updates the lists of HCPCS codes that are subject to the consolidated billing provision of the SNF Prospective Payment System (PPS). Services appearing on this list submitted on claims to both Medicare fiscal intermediaries (FIs) and carriers, including durable medical equipment Medicare Administrative Contractors (DME MACs), will not be paid by Medicare to providers, other than a SNF, when **included** in SNF CB. For non-therapy services, SNF CB applies only when the services are furnished to a SNF resident during a covered Part A stay; however, SNF CB applies to physical and occupational therapies and speech-language pathology services whenever they are furnished to a SNF resident, regardless of whether Part A covers the stay. Services **excluded** from SNF PPS and CB may be paid to providers, other than SNFs, for beneficiaries, even when in a SNF stay. In order to assure proper payment in all settings, Medicare systems must edit for services provided to SNF beneficiaries both included and excluded from SNF CB.

The codes below are listed as being added or removed from the 2007 Fiscal Intermediary (FI) annual update.

Major Category IV. A. Mammography Screening

REMOVE – 77055, 77056

B. Policy: Section 1888 of the Social Security Act codifies SNF PPS and CB. The new coding identified in each update describes the same services that are subject to SNF PPS payment by law. No additional services will be added by these routine updates; that is, new updates are required by changes to the coding system, not because the services subject to SNF CB are being redefined. Other regulatory changes beyond code list updates will be noted when and if they occur.
