Pub 100-03 Medicare National Coverage Determinations	Centers for Medicare & Medicaid Services (CMS)
Transmittal 153	Date: May 21, 2013
	Change Request 8213

Transmittal 153, dated May 21, 2013, is being rescinded and replaced by transmittal 154, dated June 10, 2013 due to the language “randomized clinical trial” (RCT) inadvertently remaining in a paragraph in the Pub. 100-03 Manual. Additionally, the previous transmission erroneously omitted attachments that should have been included for both the Pub. 100-03 and Pub. 100-04 transmittals. The Transmittal 152, dated March 8, 2013, was rescinded and replaced by Transmittal 153, to add NCD disclaimer language to the transmittal page, and remove the language “random clinical trial (RCT)” from Pub. 100-03 Manual. All other information remains the same.
