I. GENERAL INFORMATION

A. Background: The purpose of this Change Request (CR) is to provide the July 2016 Common Edits and Enhancements Module (CEM) edits for the Part A and Part B Medicare Administrative Contractors (A/B MACs) and the Common Electronic Data Interchange (CEDI) contractor. Additionally, this CR directs Shared Systems to appropriately update the CEM.

The change log worksheet tab contains only the changes made for this version.

Contractors and shared systems maintainers will use the attached edits spreadsheets as replacements for the previously issued edits spreadsheets. Contractors are not required to replicate work already done, but are only expected to use the updates to the spreadsheets to build upon their previous core deliverables.

B. Policy: The Administrative Simplification provisions of HIPAA require the Secretary of DHHS to adopt standard electronic transactions and code sets for administrative health care transactions. The Secretary may also modify these standards periodically.
