I. GENERAL INFORMATION

This Recurring Update Notification provides instructions for the calendar year (CY) 2012 Payment Rate Increases for Rural Health Clinics (RHC) and Federally Qualified Health Centers (FQHC) services that can be found in Chapter 9, section 20 of the IOM.

A. Background:

RHCs:

The RHC upper payment limit per visit is increased from \$78.07 to \$78.54 effective January 1, 2012, through December 31, 2012 (i.e., CY 2012). The 2012 rate reflects a 0.6 percent increase over the 2011 payment limit in accordance with the rate of increase in the Medicare Economic Index (MEI) as authorized by §1833(f) of the Social Security Act.

FQHCs:

The FQHC upper payment limit per visit for urban FQHCs is increased from \$126.22 to \$126.98 effective January 1, 2012, through December 31, 2012 (i.e., CY 2012), and the maximum Medicare payment limit per visit for rural FQHCs is increased from \$109.24 to \$109.90 effective January 1, 2012, through December 31, 2012 (i.e. CY 2012). The 2012 FQHC rates reflect a 0.6 percent increase over the 2011 rates in accordance with the rate of increase in the MEI.

B. Policy:

This effective date of January 3, 2012, is necessary in order to update RHC and FQHC payment rates in accordance with §1833(f) of the Social Security Act. To avoid unnecessary administrative burden, the contractor shall not retroactively adjust individual RHC/FQHC bills paid at previous upper payment limits.

The contractor does, however, retain the discretion to make adjustments to the interim payment rate or a lump sum adjustment to total payments already made to take into account any excess or deficiency in payments to date.
