CLARIFIED/UPDATED MATERIAL--*EFFECTIVE DATE*: Not applicable

Transmittal 406, issued in August 1998, removed Chapter 11 from the manual because the policy was removed from the regulations at 42 CFR §405.428 in 1983. This transmittal reinstates only the Chapter 11 Table of Contents, marked to indicate that the chapter has been removed and reserved.

Transmittal 445, issued in June 2011, removed Chapter 12 from the manual because the allowance for a return on a proprietary provider's equity capital invested and used in the provision of patient care was discontinued. The allowance was discontinued for different provider types at different times, finally being discontinued for skilled nursing facility services furnished on or after October 1, 1993. This transmittal reinstates only the Chapter 12 Table of Contents, marked to indicate that the chapter has been removed and reserved.

Transmittal 386, issued in November 1995, removed Chapter 13 from the manual consistent with §103 of the Tax Equity and Fiscal Responsibility Act of 1982 (Public Law 97-248) which eliminated the routine nursing salary cost differential for hospitals and skilled nursing facilities effective for cost reporting periods ending after September 30, 1982. This transmittal reinstates only the Chapter 13 Table of Contents, marked to indicate that the chapter has been removed and reserved.
