<b>Transmittal 1792</b>	<b>Date: August 7, 2009</b>
	<b>Change Request 6536</b>

**Transmittal 1835, dated October 27, 2009 rescinds and replaces Transmittal 1792, issued on August 7, 2009. Two new state codes are being added to the ZIP code files for January 2010 in order to accommodate the correction of an error recently discovered on the clinical lab fee schedule whereby claims were priced incorrectly. Information was added to the Policy Section regarding two new state codes for Kansas – “EK” to identify Johnson and Wyandotte Counties, and “WK” to identify all other counties in Kansas. The affected fee schedules will be corrected upon issuance of this transmittal. All other information remains the same.**
