Transmittal 2033	Date: August 20, 2010
	Change Request 7064

Transmittal 2033, dated August 20, 2010 is rescinded and replaced by Transmittal 2094, dated November 17, 2010. This corrected document does not involve any changes in policy or in contractor requirements. The correction involves the deletion of several drugs, identifies drugs that may be eligible for the ESRD outlier payment, provides an additional list of laboratory tests that comprise the AMCC and deletes several laboratory tests. In addition, it includes the latest version of the ESRD PRICER Layout File. The PRICER layout file is revised to provide for additional return codes, correction in the field sizes and filler space and revision to the variable names to reflect 2011.
