

Eligible Hospital, Critical Access Hospital (CAH) and Dual-Eligible Hospital Attestation Worksheet for Stage 3 of the Medicare Electronic Health Record (EHR) Incentive Program in 2017

This worksheet is a resource for eligible hospitals, CAHs, and dual-eligible hospitals to log their meaningful use measures before using CMS' Registration and Attestation system to attest to the Stage 3 program requirements of the Medicare EHR Incentive Program.

Note: This worksheet differs in format and presentation when compared to the Attestation User Guide and Attestation system.

For each objective with a percentage-based measure, EHR technology certified to the 2015 Edition must include the capability to record the numerator and denominator electronically and generate a report including the numerator, denominator, and resulting percentage.

***Note:* Eligible hospitals, CAHs and dual-eligible hospitals who have not successfully demonstrated meaningful use in a prior year and are seeking to demonstrate meaningful use for the first time in 2017 to avoid the 2018 payment adjustment must attest to Modified Stage 2 objectives and measures.**

Eligible hospitals, CAHs and dual-eligible hospitals can enter their meaningful use criteria in the blue boxes. Each measure's objective is included to help eligible hospitals, CAHs and dual-eligible hospitals enter the correct criteria. Certain measures do not require a numerator and denominator, but rather a yes/no answer, and are marked accordingly. Measures with exclusions have the exclusion description listed in the measure information section.

Note: In Stage 3, there are no alternate exclusions or specifications available.

Eligible hospitals, CAHs and dual-eligible hospitals must report on the following:

1. **6 objectives**, including one consolidated public health reporting objective with measure options requiring eligible hospitals, CAHs and dual-eligible hospitals to meet three public health measures.
2. **16 clinical quality measures** for attestation. Requirements for CY 2017 eCQM submission (electronic reporting) can be found at:
<http://www.qualityreportingcenter.com/inpatient/igr/tools/>.

EHR Reporting Period: For Stage 3 in 2017, the EHR reporting period for all new and returning participants is a minimum of any continuous 90-day period within the calendar year.

Meaningful Use Objectives and Measures

Must fill out for each of the 6 objectives including 3 public health measures for eligible hospitals, CAHs and dual-eligible hospitals.

| # | Measure Information | Measure Values |
|---|---|---|
| 1 | <p>Objective: Protect electronic protected health information (ePHI) created or maintained by the CEHRT through the implementation of appropriate technical, administrative, and physical safeguards.</p> <p>Measure: <u>Security Risk Analysis:</u> Conduct or review a security risk analysis in accordance with the requirements under 45 CFR 164.308(a)(1), including addressing the security (including encryption) of data created or maintained by CEHRT in accordance with requirements under 45 CFR 164.312(a)(2)(iv) and 45 CFR 164.306(d)(3), implement security updates as necessary, and correct identified security deficiencies as part of the eligible hospital's or CAH's risk management process.</p> <p>Note: This measure only requires a yes/no answer.</p> | <p>YES <input type="checkbox"/> NO <input type="checkbox"/></p> |
| | Denominator: N/A | |
| | Numerator: N/A | |
| 2 | <p>Objective: Generate and transmit permissible discharge prescriptions electronically (eRx).</p> <p>Measure: <u>e-Prescribing:</u> More than 25 percent of hospital discharge medication orders for permissible prescriptions (for new and changed prescriptions) are queried for a drug formulary and transmitted electronically using CEHRT.</p> <p>Exclusion: Any eligible hospital or CAH that does not have an internal pharmacy that can accept electronic prescriptions and there are no pharmacies that accept electronic prescriptions within 10 miles at the start of their EHR reporting period.</p> | <p>Yes <input type="radio"/> No <input type="radio"/></p> |
| | Does the exclusion apply to you? | |
| | <p>Denominator: Number of new or changed prescriptions written for drugs requiring a prescription in order to be dispensed other than controlled substances for patients discharged during the EHR reporting period.</p> <p>Note: Providers would continue to have the option to include or not include controlled substances that can be electronically prescribed.</p> | |
| | <p>Numerator: The number of prescriptions in the denominator generated, queried for a drug formulary, and transmitted electronically.</p> | |
| 3 | <p>Objective: Provide patients (or patient authorized representative) with timely electronic access to their health information and patient-specific education.</p> <p>Measure: <u>Provide Patient Access:</u> For more than 50 percent of all unique patients discharged from the eligible hospital or CAH inpatient or emergency department (POS 21 or 23) of an eligible hospital or CAH:</p> <ul style="list-style-type: none"> The patient (or the patient authorized representative) is provided timely access to view online, download, and transmit his or her health information; and | |

| | | | | | | | | | | | | | |
|--|--|---|--|--|----------------------|--|----------------------|---|--|--|----------------------|---|----------------------|
| | <ul style="list-style-type: none"> The provider ensures the patient’s health information is available for the patient (or patient authorized representative) to access using any application of their choice that is configured to meet the technical specifications of the application programming interfaces (API) in the provider’s CEHRT. <p>Measure: Patient-Specific Education: The eligible hospital or CAH must use clinically relevant information from CEHRT to identify patient-specific educational resources and provide electronic access to those materials to more than 10 percent of unique patients seen by the EP or discharged from the eligible hospital or CAH inpatient or emergency department (POS 21 or 23) during the EHR reporting period.</p> <p>Exclusion for both Measures: Any eligible hospital or CAH that is located in a county that does not have 50 percent or more of their housing units with 4Mbps broadband availability according to the latest information available from the FCC at the start of the EHR reporting.</p> | | | | | | | | | | | | |
| | <table border="1"> <tr> <td>Does the exclusion apply to you?</td> <td>Yes <input type="radio"/> No <input type="radio"/></td> </tr> <tr> <td>Denominator Provide Patient Access: The number of unique patients discharged from an eligible hospital's or CAH's inpatient or emergency department (POS 21 or 23) during the EHR reporting period.</td> <td><input type="text"/></td> </tr> <tr> <td>Numerator Provide Patient Access: The number of patients in the denominator (or patient authorized representative) who are provided timely access to health information to view online, download and transmit to a third party and to access using an application of their choice that is configured to meet the technical specifications of the API in the provider’s CEHRT.</td> <td><input type="text"/></td> </tr> <tr> <td>Does the exclusion apply to you?</td> <td>Yes <input type="radio"/> No <input type="radio"/></td> </tr> <tr> <td>Denominator Patient Specific Education: The number of unique patients discharged from an eligible hospital’s or CAH’s inpatient or emergency department (POS 21 or 23) during the EHR reporting period.</td> <td><input type="text"/></td> </tr> <tr> <td>Numerator Patient Specific Education: The number of patients in the denominator who were provided electronic access to patient-specific educational resources using clinically relevant information identified from CEHRT during the EHR reporting period.</td> <td><input type="text"/></td> </tr> </table> | Does the exclusion apply to you? | Yes <input type="radio"/> No <input type="radio"/> | Denominator Provide Patient Access: The number of unique patients discharged from an eligible hospital's or CAH's inpatient or emergency department (POS 21 or 23) during the EHR reporting period. | <input type="text"/> | Numerator Provide Patient Access: The number of patients in the denominator (or patient authorized representative) who are provided timely access to health information to view online, download and transmit to a third party and to access using an application of their choice that is configured to meet the technical specifications of the API in the provider’s CEHRT. | <input type="text"/> | Does the exclusion apply to you? | Yes <input type="radio"/> No <input type="radio"/> | Denominator Patient Specific Education: The number of unique patients discharged from an eligible hospital’s or CAH’s inpatient or emergency department (POS 21 or 23) during the EHR reporting period. | <input type="text"/> | Numerator Patient Specific Education: The number of patients in the denominator who were provided electronic access to patient-specific educational resources using clinically relevant information identified from CEHRT during the EHR reporting period. | <input type="text"/> |

| Numerator Provide Patient Access: The number of patients in the denominator (or patient authorized representative) who are provided timely access to health information to view online, download and transmit to a third party and to access using an application of their choice that is configured to meet the technical specifications of the API in the provider’s CEHRT. | <input type="text"/> | | | | | | | | | | | | |
| Does the exclusion apply to you? | Yes <input type="radio"/> No <input type="radio"/> | | | | | | | | | | | | |
| Denominator Patient Specific Education: The number of unique patients discharged from an eligible hospital’s or CAH’s inpatient or emergency department (POS 21 or 23) during the EHR reporting period. | <input type="text"/> | | | | | | | | | | | | |
| Numerator Patient Specific Education: The number of patients in the denominator who were provided electronic access to patient-specific educational resources using clinically relevant information identified from CEHRT during the EHR reporting period. | <input type="text"/> | | | | | | | | | | | | |
| 4 | <p>Objective: Use CEHRT to engage with patients or their authorized representatives about the patient’s care.</p> <p>Note: Eligible hospitals and CAHs must attest to all three measures and meet the thresholds for at least two measures to meet the objective.</p> <p>Measure: View, Download or Transmit (VDT): During the EHR reporting period, at least one unique patient (or their authorized representatives) discharged from the eligible hospital or CAH inpatient or emergency department (POS 21 or 23) actively engage with the electronic health record made accessible by the provider and one of the following:</p> <ul style="list-style-type: none"> View, download or transmit to a third party their health information; or | | | | | | | | | | | | |

| | |
|---|--|
| <ul style="list-style-type: none"> • Access their health information through the use of an API that can be used by applications chosen by the patient and configured to the API in the provider's CEHRT; or • A combination of (1) and (2). <p>Measure: <u>Secure Messaging</u>: For more than 5 percent of all unique patients discharged from the eligible hospital or CAH inpatient or emergency department (POS 21 or 23) during the EHR reporting period, a secure message was sent using the electronic messaging function of CEHRT to the patient (or the patient-authorized representative), or in response to a secure message sent by the patient (or the patient-authorized representative).</p> <p>Measure: <u>Patient Generated Health Data</u>: Patient generated health data or data from a nonclinical setting is incorporated into the CEHRT for more than 5 percent of all unique patients discharged from the eligible hospital or CAH inpatient or emergency department (POS 21 or 23) during the EHR reporting period.</p> <p>Exclusion for all three measures: Any eligible hospital or CAH will be excluded from the measure if it is located in a county that does not have 50 percent or more of their housing units with 4Mbps broadband availability according to the latest information available from the FCC at the start of the EHR reporting period.</p> | |
| Does the exclusion apply to you? | Yes <input type="radio"/> No <input type="radio"/> |
| Denominator <u>View, Download or Transmit (VDT)</u>: Number of unique patients discharged from an eligible hospital or CAH inpatient or emergency department (POS 21 or 23) during the EHR reporting period. | <input type="text"/> |
| Numerator <u>View, Download or Transmit (VDT)</u>: The number of unique patients (or their authorized representatives) in the denominator who have viewed online, downloaded, or transmitted to a third party the patient's health information during the EHR reporting period and the number of unique patients (or their authorized representatives) in the denominator who have accessed their health information through the use of an API during the EHR reporting period. | <input type="text"/> |
| Does the exclusion apply to you? | Yes <input type="radio"/> No <input type="radio"/> |
| Denominator <u>Secure Messaging</u>: Number of unique patients discharged from an eligible hospital or CAH inpatient or emergency department (POS 21 or 23) during the EHR reporting period. | <input type="text"/> |
| Numerator <u>Secure Messaging</u>: The number of patients in the denominator for whom a secure electronic message is sent to the patient (or patient-authorized representative) or in response to a secure message sent by the patient (or patient-authorized representative), during the EHR reporting period. | <input type="text"/> |
| Does the exclusion apply to you? | Yes <input type="radio"/> No <input type="radio"/> |
| Denominator <u>Patient Generated Health Data</u>: Number of unique patients discharged from an eligible hospital or CAH inpatient or emergency department (POS 21 or 23) during the EHR reporting period. | <input type="text"/> |

| | | |
|-----------------|---|--|
| | <p>Numerator Patient Generated Health Data: The number of patients in the denominator for whom data from non-clinical settings, which may include patient generated health data, is captured through the CEHRT into the patient record during the EHR reporting period.</p> | <div style="border: 1px solid black; width: 100px; height: 20px; margin: 0 auto;"></div> |
| <p>5</p> | <p>Objective: The eligible hospital or CAH provides a summary of care record when transitioning or referring their patient to another setting of care, receives or retrieves a summary of care record upon the receipt of a transition or referral or upon the first patient encounter with a new patient, and incorporates summary of care information from other providers into their EHR using the functions of CEHRT.</p> <p>Note: Eligible hospitals and CAHs must attest to all three measures and meet the thresholds for at least two measures to meet the objective.</p> <p>Measure: <u>Send a Summary of Care:</u> For more than 10 percent of transitions of care and referrals, the eligible hospital or CAH that transitions or refers their patient to another setting of care or provider of care must (1) use CEHRT to create a summary of care record; and (2) electronically exchange the summary of care record.</p> <p><u>Send a Summary of Care Exclusion:</u> Any eligible hospital or CAH will be excluded from the measure if it is located in a county that does not have 50 percent or more of their housing units with 4Mbps broadband availability according to the latest information available from the FCC at the start of the EHR reporting period.</p> <p>Measure: <u>Request/Accept Summary of Care:</u> For more than 10 percent of transitions or referrals received and patient encounters in which the provider has never before encountered the patient, the eligible hospital or CAH incorporates into the patient’s EHR an electronic summary of care document.</p> <p><u>Request/Accept Summary of Care Exclusions:</u> An eligible hospital or CAH may be excluded from the measure if any of the following apply:</p> <p>Exclusion 1: <u>Request/Accept Summary of Care:</u> Any eligible hospital or CAH for whom the total of transitions or referrals received and patient encounters in which the provider has never before encountered the patient, is fewer than 100 during the EHR reporting period is excluded from this measure.</p> <p>Exclusion 2: <u>Request/Accept Summary of Care:</u> Any eligible hospital or CAH that is located in a county that does not have 50 percent or more of their housing units with 4Mbps broadband availability according to the latest information available from the FCC at the start of the EHR reporting period.</p> <p>Measure: <u>Clinical Information Reconciliation:</u> For more than 50 percent of transitions or referrals received and patient encounters in which the provider has never before encountered the patient, the eligible hospital or CAH performs a clinical information reconciliation. The provider must implement clinical information reconciliation for the following three clinical information sets:</p> <ol style="list-style-type: none"> 1) Medication. Review of the patient’s medication, including the name, dosage, frequency, and route of each medication. 2) Medication allergy. Review of the patient’s known medication allergies. 3) Current Problem list. Review of the patient’s current and active diagnoses. <p><u>Clinical Information Reconciliation Exclusion:</u> Any eligible hospital or CAH for whom the total of transitions or referrals received and patient encounters in which the provider has never</p> | |

| | | |
|---|---|--|
| | before encountered the patient, is fewer than 100 during the EHR reporting period is excluded from this measure. | |
| | Does the exclusion for <u>Send a Summary of Care</u> apply to you? | Yes <input type="radio"/> No <input type="radio"/> |
| | Denominator <u>Send a Summary of Care</u>: Number of transitions of care and referrals during the EHR reporting period for which the eligible hospital's or CAH's inpatient or emergency department (POS 21 or 23) was the transferring or referring provider. | <input type="text"/> |
| | Numerator <u>Send a Summary of Care</u>: The number of transitions of care and referrals in the denominator where a summary of care record was created using CEHRT and exchanged electronically. | <input type="text"/> |
| | Does exclusion 1 for <u>Request/Accept Summary of Care</u> apply to you? | Yes <input type="radio"/> No <input type="radio"/> |
| | Does exclusion 2 for <u>Request/Accept Summary of Care</u> apply to you? | Yes <input type="radio"/> No <input type="radio"/> |
| | Denominator <u>Request/Accept Summary of Care</u>: Number of patient encounters during the EHR reporting period for which an eligible hospital or CAH was the receiving party of a transition or referral or has never before encountered the patient and for which an electronic summary of care record is available. | <input type="text"/> |
| | Numerator <u>Request/Accept Summary of Care</u>: Number of patient encounters in the denominator where an electronic summary of care record received is incorporated by the provider into the certified EHR technology. | <input type="text"/> |
| | Does the exclusion for <u>Clinical Information Reconciliation</u> apply to you? | Yes <input type="radio"/> No <input type="radio"/> |
| | Denominator <u>Clinical Information Reconciliation</u>: Number of transitions of care or referrals during the EHR reporting period for which the eligible hospital or CAH inpatient or emergency department (POS 21 or 23) was the recipient of the transition or referral or has never before encountered the patient. | <input type="text"/> |
| | Numerator <u>Clinical Information Reconciliation</u>: The number of transitions of care or referrals in the denominator where the following three clinical information reconciliations were performed: Medication list, medication allergy list, and current problem list. | <input type="text"/> |
| 6 | <p>Objective: The eligible hospital or CAH is in active engagement with a public health agency or clinical data registry to submit electronic public health data in a meaningful way using certified EHR technology, except where prohibited, and in accordance with applicable law and practice.</p> <p>Measure: <u>Immunization Registry Reporting</u>: The eligible hospital or CAH is in active engagement with a public health agency to submit immunization data and receive immunization forecasts and histories from the public health immunization registry/immunization information system (IIS).</p> <p>Note: This measure only requires a yes/no answer.</p> | |

Immunization Registry Reporting Exclusions: Any eligible hospital or CAH meeting one or more of the following criteria may be excluded from the immunization registry reporting measure if the eligible hospital or CAH—

Exclusion 1 Immunization Registry Reporting: Does not administer any immunizations to any of the populations for which data is collected by their jurisdiction’s immunization registry or immunization information system during the EHR reporting period;

Exclusion 2 Immunization Registry Reporting: Operates in a jurisdiction for which no immunization registry or immunization information system is capable of accepting the specific standards required to meet the CEHRT definition at the start of the EHR reporting period; or

Exclusion 3 Immunization Registry Reporting: Operates in a jurisdiction where no immunization registry or immunization information system has declared readiness to receive immunization data as of 6 months prior to the start of the EHR reporting period.

Measure: Syndromic Surveillance Reporting: The eligible hospital or CAH is in active engagement with a public health agency to submit syndromic surveillance data from an urgent care setting.

Note: This measure only requires a yes/no answer.

Syndromic Surveillance Reporting Exclusions: Any eligible hospital or CAH meeting one or more of the following criteria may be excluded from the syndromic surveillance reporting measure if the eligible hospital or CAH—

Exclusion 1: Syndromic Surveillance Reporting: Does not have an emergency or urgent care department;

Exclusion 2: Syndromic Surveillance Reporting: Operates in a jurisdiction for which no public health agency is capable of receiving electronic syndromic surveillance data from eligible hospitals or CAHs in the specific standards required to meet the CEHRT definition at the start of the EHR reporting period; or

Exclusion 3: Syndromic Surveillance Reporting: Operates in a jurisdiction where no public health agency has declared readiness to receive syndromic surveillance data from eligible hospitals or CAHs as of 6 months prior to the start of the EHR reporting period.

Measure 3: Electronic Case Reporting: The eligible hospital or CAH is in active engagement with a public health agency to submit case reporting of reportable conditions.

Note: This measure only requires a yes/no answer.

Electronic Case Reporting is not required until 2018.

Electronic Case Reporting Exclusions: Any eligible hospital or CAH meeting one or more of the following criteria may be excluded from the case reporting measure if the eligible hospital or CAH—

Exclusion 1: Electronic Case Reporting: Does not treat or diagnose any reportable diseases for which data is collected by their jurisdiction’s reportable disease system during the EHR reporting period;

Exclusion 2: Electronic Case Reporting: Operates in a jurisdiction for which no public health agency is capable of receiving electronic case reporting data in the specific standards required to meet the CEHRT definition at the start of the EHR reporting period; or

Exclusion 3: Electronic Case Reporting: Operates in a jurisdiction where no public health agency has declared readiness to receive electronic case reporting data as of 6 months prior to the start of the EHR reporting period.

Measure: Public Health Registry Reporting: The eligible hospital or CAH is in active engagement with a public health agency to submit data to public health registries.

Note: This measure only requires a yes/no answer.

Public Health Registry Reporting Exclusions: Any eligible hospital or CAH meeting at least one of the following criteria may be excluded from the public health registry reporting measure if the eligible hospital or CAH—

Exclusion 1: Public Health Registry Reporting: Does not diagnose or directly treat any disease or condition associated with a public health registry in their jurisdiction during the EHR reporting period;

Exclusion 2: Public Health Registry Reporting: Operates in a jurisdiction for which no public health agency is capable of accepting electronic registry transactions in the specific standards required to meet the CEHRT definition at the start of the EHR reporting period; or

Exclusion 3: Public Health Registry Reporting: Operates in a jurisdiction where no public health registry for which the eligible hospital or CAH is eligible has declared readiness to receive electronic registry transactions as of 6 months prior to the start of the EHR reporting period.

Measure: Clinical Data Registry Reporting: The eligible hospital or CAH is in active engagement to submit data to a clinical data registry.

Note: This measure only requires a yes/no answer.

Clinical Data Registry Reporting Exclusions: Any eligible hospital or CAH meeting at least one of the following criteria may be excluded from the clinical data registry reporting measure if the eligible hospital or CAH—

Exclusion 1: Clinical Data Registry Reporting: Does not diagnose or directly treat any disease or condition associated with a clinical data registry in their jurisdiction during the EHR reporting period;

Exclusion 2: Clinical Data Registry Reporting: Operates in a jurisdiction for which no clinical data registry is capable of accepting electronic registry transactions in the specific standards required to meet the CEHRT definition at the start of the EHR reporting period; or

Exclusion 3: Clinical Data Registry Reporting: Operates in a jurisdiction where no clinical data registry for which the eligible hospital or CAH is eligible has declared readiness to receive electronic registry transactions as of 6 months prior to the start of the EHR reporting period.

Measure: Electronic Reportable Laboratory Result Reporting: The eligible hospital or CAH is in active engagement with a public health agency to submit electronic reportable laboratory results.

Note: This measure only requires a yes/no answer.

Electronic Reportable Laboratory Result Reporting Exclusions: Any eligible hospital or CAH meeting one or more of the following criteria may be excluded from the electronic reportable laboratory result reporting measure if the eligible hospital or CAH—

Exclusion 1: Electronic Reportable Laboratory Result Reporting: Does not perform or order laboratory tests that are reportable in their jurisdiction during the EHR reporting period;

Exclusion 2: Electronic Reportable Laboratory Result Reporting: Operates in a jurisdiction for which no public health agency is capable of accepting the specific ELR standards required to meet the CEHRT definition at the start of the EHR reporting period; or

Exclusion 3: Electronic Reportable Laboratory Result Reporting: Operates in a jurisdiction where no public health agency has declared readiness to receive electronic reportable laboratory results from an eligible hospital or CAH as of 6 months prior to the start of the EHR reporting period.
