

GROUP REPORTING

| FAQ Number | Question | Answer |
|-------------------|--|--|
| 2781 | In a group practice, will each provider need to demonstrate meaningful use or can meaningful use be calculated or averaged at the group level? | The Promoting Interoperability Program are based on individual EP performance and not by group practice. Each EP within a group practice will need to demonstrate the full requirements of meaningful use in order to qualify for the Promoting Interoperability payments or avoid a payment adjustment. |
