I&A Features

The recent updates have streamlined access when it comes to managing your information in NPPES, PECOS, and HITECH. **If you accessed any of these systems prior to October 7th 2013, your existing account will still work just as it did previously, and has been updated to take advantage of the new features.**

Create an Account

Depending on the type of user you are, and how you have setup your account, I&A will allow you to access various CMS computer systems such as NPPES, PECOS, and HITECH and perform actions such as creating an NPI or updating Medicare Enrollment information.

Retrieve and Reset Forgotten Usernames and Passwords

All Users will have the ability to retrieve forgotten user IDs and reset forgotten passwords through the online tools, rather than contacting CMS External Users Services (EUS).

Unlock an Account

Users who lock their account by incorrectly entering the User ID and/or Password will have the opportunity to unlock their account through the online tools, rather than contacting CMS External User Services (EUS).

Register to access CMS Systems on behalf of your Organization

Authorized and Delegated Officials will be able to add their Organization as an employer in I&A, in order to access PECOS or HITECH on behalf of their Organization, or so their 3rd Party Organization can work on behalf of Providers.

Add and Manage Staff within your Organization

I&A allows Authorized and Delegated Officials to add and remove Staff from their Organization, and control the functions accessible to those staff.

Work in CMS Systems on behalf of Individual or Organizational Providers

I&A allows its users to quickly and securely manage connections between Individual Providers or Organizational Providers, and their relationships with Surrogates who work on their behalf.

IMPORTANT NOTE:

Registering/Updating Information in the Identity & Access Management (I&A) System

Registering or updating information in the I&A system does not automatically enroll you in Medicare, register you for an NPI, or perform any other actions or updates in the PECOS, NPPES, or HITECH systems.

If you created your account prior to October 7th 2013, and the information shown under your profile information, employers, or connections is not accurate please see the Frequently Asked Questions (FAQ) for more information on how to update your information.

Connections in the Identity & Access Management (I&A) System

Group Practices or any other Organization who act on behalf of Providers as Surrogates, and have 1,000 or more Connections to Individual Providers (IPs) in the Identity & Access Management (I&A) system may experience an issue when attempting to access records for these providers in PECOS or in HITECH (R&A). Until a fix can be implemented you can avoid any issues by reducing the number of IPs that any one Staff End User within your Organization has connections to within I&A. If a user acts on behalf of 1,000 or less IPs they should not have any issues accessing records within PECOS or HITECH(R&A).

What Type of User are You?

Review the terms. Which term best defines you and your organization? Depending on your situation it may change.

Individual Provider/Supplier

- An individual that provides services to Medicare beneficiaries and submits claims to Medicare and/or reassigns benefits to an **Organizational Provider** (such as a group practice or hospital) that submits claims to Medicare on their behalf (e.g., Provider working for a Group Practice, or Solo Provider).
- Must have or be eligible for a Type 1 NPI in NPES.

Organizational Provider

- An Organization that provides medical items and/or services to Medicare beneficiaries (e.g., DMEPOS Supplier, Physician Group Practice, Hospital, etc...) that submits claims to the Medicare Part A and/or Part B programs
- Must have or be eligible for a Type 2 NPI in NPES.

3rd Party Organization

- A third-party organization (e.g., billing agency, credentialing consultant, or other staffing company) that has business relationships with **Individual Providers** or **Organizational Providers** to work on their behalf.

Authorized Official (AO)

- An appointed official of an **Organizational Provider** or **3rd Party Organization** with the authority to legally bind that organization and conduct business on behalf of the organization. If an **Organizational Provider**, also ensure the organization's compliance with Medicare statutes, regulations and instructions.
- Able to initiate or accept surrogacy connections, and manage staff on behalf of his or her organization.

Delegated Official (DO)

- An individual, delegated by the Authorized Official of an **Organizational Provider** or **3rd Party Organization**, with the authority to legally bind the organization and conduct business on behalf of the organization. If an **Organizational Provider**, also ensure the organization's compliance with Medicare statutes, regulations and instructions.

- Able to initiate or accept surrogacy connections, and manage staff on behalf of his or her organization.

Staff End User (SEU)

- An individual (e.g., Credentialing Specialist, Office Manager, etc...) who has been approved by an Authorized or Delegated Official of an **Organizational Provider** or **3rd Party Organization**, or who has been approved by an **Individual Provider**, as an employee of that Organization, or is employed by that Provider.
- An employee of an **Individual Provider** or **Organizational Provider** that is authorized to access, view, and modify information within a CMS computer systems on behalf of their employer

Surrogate

- An **Organizational Provider** that has a business relationship with an **Individual Provider** to access, view, and modify information within CMS computer systems on their behalf;

OR

- A **Third-Party Organization** that has a business relationship with an **Individual Provider** or **Organizational Provider** to access, view, and modify information within CMS computer systems on their behalf.

What You Can Do?

Role	Represent an Organization	Manage Staff	Approve/Manage Connections	Act on behalf of a Provider in CMS systems
Individual Provider	Yes	Yes	Yes	Yes
Authorized Official	Yes	Yes	Yes	Yes
Delegated Official	Yes	Yes	Yes	Yes
Staff End User	No	No	No	Yes
Surrogate	No	No	No	Yes

Examples - Setting Up Your Account and Gaining Provider Access

Create Your Account

If you have received an Invitation E-mail containing a PIN and you don't yet have an I&A account, follow the instructions in section ***How New I&A Users Register from a Staff End Users (SEU) or Delegated Official (DO) Invitation.***

If you have received an Invitation E-mail containing a PIN and you already have an I&A account, follow the instructions in section ***How an Existing I&A User Responds to a Staff End Users (SEU) or Delegated Official (DO) Invitation.***

1. select  button or select the [register](#) link on the I&A login page and you will be navigated to the User Registration page.

- ✗ Must not be the same as the User ID.
- ✗ New Password must match Confirm New Password.

Valid Special Characters: @ # &) (- _ ' " , * ; : /

5. When you receive the Reset Forgotten Password – Confirmation, you will have successfully unlocked the account without involving EUS. You can then select the **Continue to Login Page** button to login to I&A or navigate to the PECOS/EHR system and login.

Retrieve Forgotten User ID

- On the [I&A Sign In page](#) select the **Retrieve Forgotten User ID** hyperlink.
- On the [Retrieve Forgotten User ID - Information](#) page, you can chose to enter your *E-mail Information* OR *User Information* associated with your account and then select the **Continue** button.
- When you choose to enter your *E-mail Information*, on the [Retrieve Forgotten User ID - Confirmation](#), you will see that your user ID has been sent to the e-mail address provided. Select the **Continue to Login Page** button to continue.
- When you choose to enter User Information associated with your account, on the [Retrieve Forgotten User ID - Confirmation](#) page, you will see the user ID associated with your user information. Select the **Continue to Change Password** button to continue.
- On the [Reset Password](#) page, enter your new password and select the **Reset** button.
- On the [Reset Forgotten Password - Confirmation](#) page, you will see that your password has been reset. Select the **Continue to Login Page** button to continue. You will also receive a confirmation e-mail informing you that your password has been changed.

See an example screen shot of the Retrieve Forgotten User ID - Information page below

The screenshot shows the CMS Identity & Access Management System interface. At the top is the CMS logo and the text 'Centers for Medicare & Medicaid Services'. Below this is a header bar with 'Identity & Access Management System' and a 'Help' link. The main heading is 'Retrieve Forgotten User ID - Information'. A 'Back to Previous Page' link is in the top right. A yellow note box contains instructions on how to retrieve a User ID: either via email or by providing user information. Below the note, a legend states '* indicates required field(s)'. There are two sections: 'E-mail Information' and 'User Information', separated by an 'OR' label. The 'E-mail Information' section has a required 'E-mail Address' field and a 'Continue' button. The 'User Information' section has required fields for 'Social Security Number (Enter Last 4 Digits)', 'Date of Birth' (with an example MM/DD/YYYY), 'First Name', 'Last Name', 'Personal Phone Number', and 'Home ZIP/ Postal Code', followed by a 'Continue' button.

[? Enter your PIN](#)

One account to access multiple systems

Create one account with the Identity & Access Management System to manage access to NPPES, PECOS, and EHR incentive programs, manage staff, and authorize others to access your information. **Create Account Now**

Use this system to register for Medicare or update your current enrollment information.

Register to receive EHR incentive payments for eligible professionals and hospitals that adopt, implement and upgrade or demonstrate meaningful use with certified EHR technology.

Use this system to apply for and manage National Provider Identifiers (NPIs).

Quick Reference Guide
Overview of features and tools to manage your account.

Frequently Asked Questions
Answers to common questions about registration, who should register, and how to manage your account.

2. Then you select which MFA method you wish to use authenticate. If you have only defined/set up one, then you will only have one choice. Select the **Send Verification Code** button to have your code sent to your selected device.

The screenshot shows a web interface for the Identity & Access Management System. The title bar at the top reads "Identity & Access Management System" with a "Help" link on the right. Below the title bar, the page is titled "Multi-Factor Authentication (MFA) - Method". A note states "* indicates required field(s)". The main content area contains a message: "We would like to send you a code to verify your identity." Below this, there is a section titled "* Select where you wish to receive your verification code:". It contains two radio button options: "Primary Authentication Method: Phone Number Text/SMS: (xxx)xxx-4846" (which is selected) and "Alternative Authentication Method: E-mail Address: J*****@TPGSI.COM". Below these options is a link "Reset MFA" preceded by the text "Need to make changes where you receive your code?". At the bottom of the form, there are two buttons: "Send Verification Code" with a right-pointing arrow, and "Cancel".

3. You will then be asked if you are logging into the system on a Public or Private device. If you are using a private device, and you agree to let the system store a cookie on your device browser, you will be able to bypass MFA when logging into I&A for the next 24 hours. Enter your code and select the **Verify Code** button. If you are having trouble getting the code or need a new code sent, select the **Send New Code** button.

The screenshot shows the 'Identity & Access Management System' interface for 'Multi-Factor Authentication (MFA) - Verification'. It includes a header with a 'Help' link, a legend for required fields, and several sections for selecting verification methods, device type, and code entry. At the bottom are buttons for 'Verify Code' and 'Cancel'.

Register as an Authorized Official, Delegated Official, or Staff End User for your employer

Once you have created your I&A account by following the instructions outlined in the **Create Your Account** section of this document, you can request to be an Authorized or Delegated Official for your organization.

1. Log in to your I&A account.
2. On the **Home** tab please read the “Are responsible for an Organization?” paragraph. It will instruct you to select the My Profile tab

The screenshot shows the 'Home' tab selected. The main content area has a 'Home' heading, a welcome message, and a link to 'Are you an Individual Provider?'. Below this is a paragraph explaining that the system cannot locate an NPI record and providing a link to 'register for an NPI'. Further down is a section titled 'Are you responsible for an Organization?' with instructions for Authorized or Delegated Officials. At the bottom, there is a 'None of above?' link and a final instruction to contact a supervisor if the user does not match the descriptions.

Done

If you are requesting to be an Authorized Official:

- You must submit to the EUS help desk a copy of the CP 575 [\[or approved alternate\]](#) for the organization for which you have requested to work on behalf of as an Authorized Official (To help expedite your request please write the I&A Tracking ID on the copy of the CP 575 you submit to EUS).
- You will receive an e-mail from EUS when your request has been processed.

If you are requesting to be a Delegated Official:

You MUST complete Option A or Option B below before your registration to act on behalf of the Organization below will take effect in CMS applications.

- **OPTION A:**
Print, Sign and Submit to CMS the [Delegated Official Certification](#) for this request, along with the CP 575 [\[or approved alternate\]](#) issued by the IRS for the Organization for which you are requesting to be a Delegated Official.
- **OPTION B:**
Please have an existing Authorized Official for this Organization approve your request by logging in to this system.

If you are requesting to be a Staff End User:

You MUST complete Option A or Option B below before you can act on behalf of the Organization in CMS applications.

- **OPTION A:**
Please have an existing Authorized Official for this Organization approve your request by logging in to the I&A system.
- **OPTION B:**
If you are only trying to gain access to your organization's Type 2 NPIs in NPPES, you can contact the NPI Enumerator for assistance.

9. You can track your employer request status at the bottom of your **My Profile** tab.

Important Note: Once your Authorized Official/Delegated Official request is approved, please wait up to 2 hours for your account to synchronize before attempting to access the HITECH system.

How to Setup Your Account if you are a Sole Owner

Note: As a Sole Owner you have both an Individual Provider NPI (Type 1 NPI) and an Organization NPI (Type 2 NPI). If you have not applied for your NPIs, please do so before continuing with the I&A steps below. As a Sole Owner you must include both NPIs, Type 1 and Type 2, on your **My Profile** tab under the Employer Information section. Below are additional details on this setup.

1. Log in to your I&A account with your Type 1 user ID and password.
2. On the **My Profile** tab scroll to the bottom of the page. Under Employer Information section you will be listed as the Authorized Official of yourself (your Type 1 NPI).
3. Next, add your Type 2 NPI under the Employer Information section. To do so, select the **Add an Employer** button under the **Employer Information** and follow the instructions outlined in the ***“Register as an Authorized Official, Delegated Official, or Staff End User for your employer”*** section of this document to register as the Authorized Official of your Organization
4. You can track your Authorized Official request status at the bottom of your **My Profile** tab.

Done

Note: Once you have successfully created your surrogacy connection requests, the request must be approved before the surrogate can work on behalf of the provider in the requested systems.

If a surrogate initiates a Connection Request to an Individual Provider, the surrogate has the option of printing out the **Optional Surrogacy Confirmation** (link to the form is on the top of the page) and have the Provider sign the form, then upload the form along with the additional required documents, to have EUS approve the connection request on the Provider's behalf.

For more information about Uploading Documents see section How to Upload Documents

How to Approve/Reject a Surrogacy Connection Request

After the provider/surrogate receives the connection request e-mail, an Authorized or Delegated Official for the Provider or Organization can take the following steps to approve/reject the request.

1. Log in to I&A
 - a. if the user does not already have an account see section Create an Account
 - b. if, once logged into I&A if the user is not an Authorized Official or Delegated Official for the health care provider, see section Register as an Authorized Official, Delegated Official, or Staff End User for your employer

If the user is an approved Authorized or Delegated Official for the Provider or Surrogate organization that did not initiate the surrogacy request, the user can Approve/Reject pending surrogacy connection requests from either the Home tab or via the My Connection tab.

2. To *Approve* or *Reject* pending Connections via the **Home** tab, select the Business Function(s) you wish to Approve or Reject and then select the appropriate button (**Approve All Selected** or **Reject All Selected**).

Note: There is a separate check box for each Business Function for each provider/surrogate

Notes

Date	Account Activity	Note
07/31/2019	Access to PECOS was requested.	
07/31/2019	Access to NPPES was requested.	
07/31/2019	Access to EHR Incentive Program was requested.	

- e. you will then be asked to confirm your action

The screenshot shows the CMS Identity & Access Management System interface. The top header includes the CMS logo, 'Centers for Medicare & Medicaid Services', and user information: 'Logged in as AaronCox', 'Sign Out', and 'Last Logged on 07/31/2019 09:37AM'. The main title is 'Identity & Access Management System' with a 'Help' link. The navigation bar has four tabs: 'Home', 'My Profile', 'My Connections', and 'My Staff'. The 'My Connections' tab is active, displaying 'My Connection > Approve Connection'. A yellow warning box contains the text: 'By approving provider Jack Man's request, surrogate Cox Pharmacy is agreeing to work on behalf of this provider in the PECOS system. Select Submit to continue.' Below the box are 'Submit' and 'Cancel' buttons.

Or if you are rejecting a request

The screenshot shows the CMS Identity & Access Management System interface for rejecting a connection. The top header and navigation bar are identical to the previous screenshot. The 'My Connections' tab is active, displaying 'My Connection > Reject Connection'. A yellow warning box contains the text: 'By rejecting provider Jack Man's request, surrogate Cox Pharmacy is declining to work on behalf of this provider in the EHR Incentive Program system. Select Submit to continue.' Below the box, there is a section for '* Reason' with a dropdown menu showing '- Select One -'. At the bottom are 'Submit' and 'Cancel' buttons.

- f. repeat this process until each connection is approved or rejected.

How to Manage your Employees and Their Access

Note: Only an Authorized Official (AO) or Delegated Official (DO) have the ability to manage Staff for their employers.

The AO or DO of the employer should first Log in to I&A and navigate to the **My Staff** tab

Locate the Staff End User whose access you wish to Modify by scrolling down the screen or using the Search By: Last Name / First Name search boxes.

How to view a staff user's access

View staff user's access on the **Active Staff** page of the **My Staff** tab

Name ▼	Role	PECOS	EHR Incentive Program	NPPES
+ Jones, Samuel	Modify			
+ nppes, Kavitha	Modify			
+ Shelton, Blake	Modify			
+ Zebra, Jack	Modify			

1. Select the **+** (plus sign icon) next to the Employer Name to expand the employer to see the list of providers and business functions for which the employer has been approved to work on the provider's behalf in the identified application.
2. With the employer expanded, the screen displays the list of providers and the business function access that has been granted to the user via the surrogacy connection between the Employer and the Provider.

My Staff ▶ Modify Staff

[« Back to Previous Page](#)

* indicates required field(s)

As an Authorized or Delegated Official for your employer, you have the ability to manage staff.

For the employers for which you are an Authorized Official, you have the ability to modify and add access to Delegated Officials and Staff End Users associated with your employer.

For the employers for which you are a Delegated Official, you have the ability to modify and add access to Staff End Users associated with your employer.

Approved Authorized or Delegated Officials automatically have access to all business functions associated with their Provider Employers, as well as, access to all business functions for Providers for which their employer has an approved surrogacy connection.

Staff End Users must be granted access to their Provider Employers and Providers for which their employer has an approved surrogacy connection.

Access to employer Business Functions can be granted/removed and Submitted on this page.

Select the **Add Access** button to grant the user access to employer and any Provider for which that employer has an approved surrogacy connection.

Select the **Modify Access** button to modify the user's Role, Remove user's access to this employer, or grant/remove this user access to Providers for which that employer has an approved surrogacy connection.

The **Modify All Current Access** button will allow you to modify the user's access to all of the employers to which the user is currently associated.

- If the Role is not selected, only the Business Functions for which the user is identified as a Staff End User will be modified.
- If the Role is selected, only the employers for which you have the authority to assign the user the selected Role will be modified.

Jones, Samuel

Modify All Current Access

	trussell pharmacy EIN: ***-***9974	Authorized Official			

On this page you have 2 options.

- 1) modify the user's Employer access to all of your employers using the **Modify All Current Access** bar
- 2) Modify/Adding the user's access to a specific Employer or modify the user's surrogate access to providers for which the Employer is an approved surrogate.

Modifying a Staff User's access to all Employers at one time.

Using the **Modify All Current Access** bar, you can select a Role and Business Function access to be applied to the user for ALL employers. This is useful when trying to grant a Staff End User access to all of your employers.

To do this:

1. Simply select the Role you wish to assign from the Role dropdown box
2. Select the Business Functions you want to grant access to
3. Select the **Modify All Current Access** button

Modifying a Staff User's access associated with one Employer time.

To modify or add access for a specific employer or modify the staff user's surrogate access to providers for which the employer is an approved surrogate, select the **Modify Access** or **Add Access** button next to the desired employer. If no button exists, then you don't have the authority to modify the user's access associated with the employer (for example, Delegated Officials cannot manage other Delegated Officials access)

Modifying Access.

1. Select the **Modify Access** button next to the Employer you wish to modify access for

- c. select the surrogate Business functions you wish to grant the user access to.
 To grant a Staff End User access to a provider, you can individually check the **checkbox** next to the **Business Function(s)** for the desired provider(s), or you can grant access to all providers by checking the **checkbox(es)** in the Provider column header row.

Provider	<input type="checkbox"/> PECOS	<input type="checkbox"/> EHR	<input type="checkbox"/> NPPES
<i>Optional: Provider EINs/NPIs and Business Functions available for the employer as a surrogate</i>			
xyz pharmacy EIN: **_***7337			<input type="checkbox"/> NPPES
TRUSSELL MEDICAL ASSOCIATES, PC EIN: **_***9026	<input type="checkbox"/> PECOS		

IMPORTANT: Per CMS security standards the I&A page will timeout after about 10-15 minutes of inactivity. Simply checking boxes on the screen will cause the page to timeout so CMS encourages users to select 10 - 20 providers for their Staff End User (or as many providers as you can select) and select the **Submit** button to ensure the page does not timeout. The AO or DO should then go back to modify the Staff End User's account and continue selecting providers.

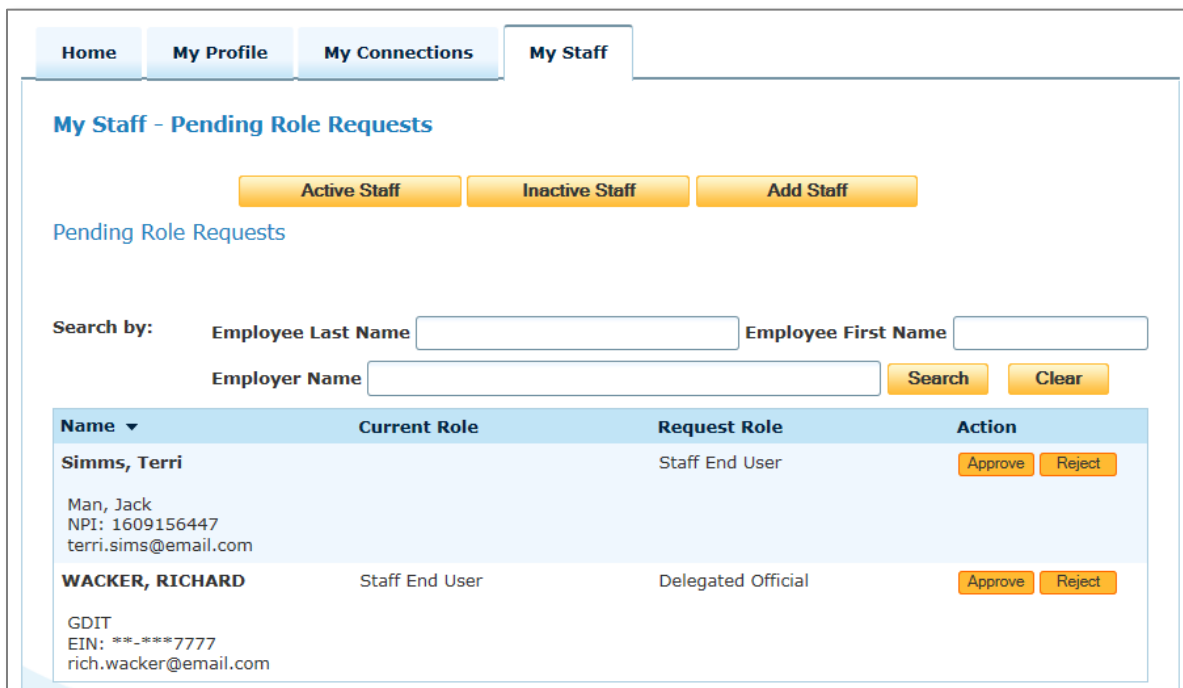

- Once you have assigned the appropriate access to the staff user, scroll to the bottom of the page, choose whether or not they wish to send an e-mail notification to the staff user, and select the **Submit** button.
- After the Staff End User is assigned access to the provider(s) AND the AO or DO selects the **Submit** button **the Staff End User must wait up to 2 hours for the system to synchronize the account updates to the EHR system**. After 2 hours the Staff End User can log in to EHR and work on behalf of the provider(s).
- To remove a Staff End User's access to a provider, follow steps 1 - 4 above, in step 2 instead of checking the checkbox, you would uncheck the checkbox next to the Business Function(s) of the provider for whom the Staff End User should no longer have access.

How to approve staff user requests

Approved Authorized Officials and Delegated Officials will see the My Staff. Select the **Role Requests** button to navigate to the My Staff Pending Role Requests page.

New employer requests and role change requests that you have the ability/rights to take action on will display. You will have the ability to either approve or reject the request.

Once you select the **Approve** or **Reject** button you will be navigated to the confirmation page. You have the ability to send an e-mail notification to the requestor. If you uncheck the checkbox, no e-mail notification will be sent. Once you have reviewed your action, select the **Submit** button the request.

My Staff > Add Staff

① You have successfully invited a new staff user to register. An e-mail invitation to register has been sent to the new staff user with a PIN that will expire in 72 hours.

Done

9. Below is an example of the e-mail invitation that is generated.

From: donotreply@cms.gov

To: jane.doe@email.com

Subject: You've been invited to register with the Centers for Medicare and Medicaid Identity & Access System

Jon Snow requested that you register as a staff user for your employer(s) AAG Org One, JON SNOW in the Centers for Medicare and Medicaid Services Identity & Access (I&A) system. To continue, please either click on the PIN Entry Page link provided below or cut and paste the link into your browser and enter the e-mail address and the PIN provided below. Note that the PIN will expire in 72 hours if not used.

PIN Entry Page: https://nppes.cms.cmstest/IAWeb/register/register_pin.do

PIN: 2534694877

Invitation Tracking ID: I11355

Systems that currently accept I&A log in credentials:

Internet-based PECOS (<https://pecos.cms.hhs.gov>)

EHR Incentive Program (<https://ehrincentives.cms.gov>)

NPPES (<https://nppes.cms.hhs.gov>)

Please do not reply to this message via e-mail. This address is automated, unattended, and cannot help with questions or requests. If you have any questions, please contact the External User Services (EUS) Help Desk:

Once the user accepts the invitation (see **How New I&A Users Register from a Staff End Users (SEU) or Delegated Official (DO) Invitation** and **How New I&A Users Register from a Staff End Users (SEU) or Delegated Official (DO) Invitation** sections of this document) the user will show under the Active Staff heading on the **My Staff** page

How New I&A Users Register from a Staff End Users (SEU) or Delegated Official (DO) Invitation

Note: PINs included in the Staff End User Invitation will expire in 72 hours if not used.

1. The user should access their e-mail and look for e-mail **Subject: You've been invited to register with the Centers for Medicare and Medicaid Identity & Access System**. An example of this e-mail is available in step 8 of the How to Invite a Staff End User (SEU).
2. In the body of the e-mail the Staff End User should locate the web address provided after the text PIN Entry Page: and copy and paste the web address in his/her Internet browser and select **Enter**.
3. The user is then navigated to the *Terms and Conditions* page where they should review and terms and conditions. To continue, the user must select the **Accept** button.

The screenshot shows the 'Identity & Access Management System' interface. At the top, there is a header with the CMS logo and the text 'Centers for Medicare & Medicaid Services'. Below the header, the page title 'Identity & Access Management System' is displayed, along with a 'Help' link. The main content area is titled 'Terms and Conditions' and contains the following text:

You are accessing a U.S. Government information system, which includes: (1) this computer, (2) this computer network, (3) all computers connected to this network, and (4) all devices and storage media attached to this network or to a computer on this network. This information system is provided for U.S. Government-authorized use only.

Unauthorized or improper use of this system may result in disciplinary action, as well as civil and criminal penalties.

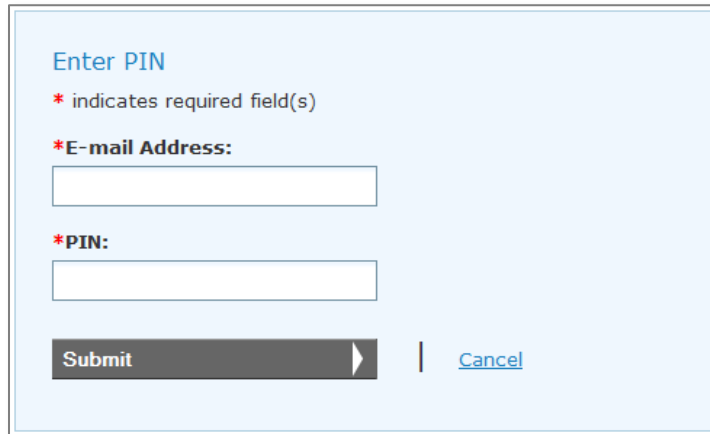

By using this information system, you understand and consent to the following:

- You have no reasonable expectation of privacy regarding any communication or data transiting or stored on this information system.
- At any time, and for any lawful Government purpose, the Government may monitor, intercept, and search and seize any communication or data transiting or stored on this information system.
- Any communication or data transiting or stored on this information system may be disclosed or used for any lawful Government purpose.
- Our system uses Cookies for security purposes to ensure that unauthorized users cannot bypass our Multi-Factor Authentication. The cookies are not storing personally identifiable information about our users. For increased security to your account, please make sure Cookies are enabled in your browser.

To continue, you must accept the terms and conditions. If you decline, you will not be able to continue.

At the bottom of the terms and conditions box, there are two buttons: 'Accept' and 'Decline'.

4. The user is then directed to the Enter Pin page.
 - a. The user will enter the e-mail address where they received the Staff End User Invitation
 - b. Enter the PIN found in the body of the e-mail
 - c. And select the **Submit** button to continue

Enter PIN

Submit | [Cancel](#)

5. On the Invited User page, the user will decide if he/she is new to I&A OR if he/she is already a registered I&A user.

Important: The invited user must register or sign in under his/her own account, not the account of the person who sent the invitation.

- a. Users who have already registered will enter their User ID and Password and select the **Sign In** button
- b. Users who are new to I&A will select the **Continue To Registration** button

The steps that follow are for a user who is new to I&A. A new I&A user will select the **Continue To Registration** button.

Invited User

Important Note:
 If you are new to I&A and have not yet registered, please continue with User Registration.
 If you are already a registered I&A user, please sign in using your I&A User ID and password.
 It is important that you complete this action now. If you are unable to continue at this time, please close your browser to protect your account.

+ SNOW, JON	Staff End User	Approved	YES	NO	NO

How an Existing I&A User Responds to a Staff End Users (SEU) or Delegated Official (DO) Invitation

Note: PINs included in the Staff End User Invitation will expire in 72 hours if not used.

1. The user should access their e-mail and look for e-mail **Subject: You've been invited to register with the Centers for Medicare and Medicaid Identity & Access System**. An example of this e-mail is available in step 8 of the How to Invite a Staff End User (SEU).
2. In the body of the e-mail the Staff End User should locate the web address provided after the text PIN Entry Page: and copy and paste the web address in his/her Internet browser and select **Enter**.
3. The user is then navigated to the *Terms and Conditions* page where they should review and terms and conditions. To continue, the user must select the **Accept** button.
4. The user is then directed to the Enter Pin page.
 - a. The user will enter the e-mail address where they received the Staff End User Invitation
 - b. Enter the PIN found in the body of the e-mail
 - c. And select the **Submit** button to continue

The screenshot shows a web form titled "Enter PIN" in blue text. Below the title, a red asterisk indicates that fields marked with an asterisk are required. There are two required fields: "*E-mail Address:" and "*PIN:". Each field has a corresponding text input box. At the bottom of the form, there is a dark gray "Submit" button with a white right-pointing arrow, and a blue "Cancel" link to its right.

5. On the Invited User page, the user will decide if he/she is new to I&A OR if he/she is already a registered I&A user.

Important: The invited user must register or sign in under his/her own account, not the account of the person who sent the invitation.

 - a. Users who have already registered will enter their User ID and Password and select the **Sign In** button
 - b. Users who are new to I&A will select the **Continue To Registration** button

The steps that follow are for a user who has already registered in I&A and has a user ID and password. The user will enter his/her User ID and Password and select the **Sign In** button.

6. The user will then log in and navigate to the **My Profile** tab and scroll to the bottom of the page to see their Approved Staff End User status under the Employer Information section.

Employer ▼	My Role with this Employer ▼	My Status with this Employer ▼	PECOS	EHR	NPPES
+ AAG Org One	Staff End User	Approved	YES	NO	NO
+ SNOW, JON	Staff End User	Approved	YES	NO	NO

7. Staff End User have the ability to cancel their initial Employer Role Request for their AO, DO and SEU (This can only be canceled before the request is approved or being processed) as well as Disassociate themselves from their current employer.

How to Cancel an Employer Request

Employer Request can only be canceled before the request is approved or being processed.

Please follow the following steps to cancel an Employer Request:

Step 1:

Login to I&A and click on My Profile Tab. Scroll to bottom of page and click the + sign icon next to the employer name (Status must be Pending Approval).

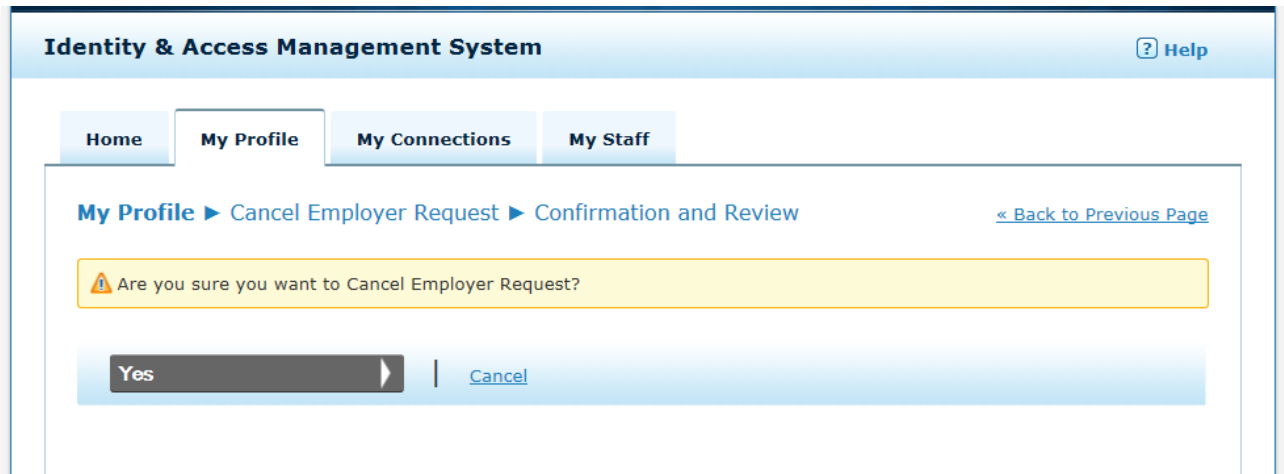

Scroll down and click on the button that says Cancel Employer Request.

Employer Information

Employer ▼	My Role with this Employer ▼	My Status with this Employer ▼	PECOS	EHR	NPPES
<div> <div> </div> <div> Cox Pharmacy NPI: No Active NPI EIN: **_***0099 Mailing Address: 5170 Sumerduck Rd Sumerduck, VA, 22742-2043 United States Phone Number: 540-347-9999 Fax Number: My E-mail: john.doe@email.com </div> </div> <div> <div>Edit E-mail Address</div> <div>View Other Name(s)</div> <div>View Uploaded Document(s)</div> <div>View NPI(s)</div> <div>Cancel Employer Request</div> </div>	Authorized Official	Pending Approval Tracking Id A61596336	NO	NO	NO

Step 2:

Below, you can see the option to select “Yes” to cancel the Employer Request.

The status with your Employer will be Cancelled.

Employer Information

Employer ▼	My Role with this Employer ▼	My Status with this Employer ▼	PECOS	EHR	NPPES
+ Cox Pharmacy	Authorized Official	Cancelled	NO	NO	NO

How to Cancel a Pending Employer Role Change Request

Employer Role Change Requests can only be canceled before the request is approved or being processed.

Follow the following steps to cancel your Employer Role Change Request:

Step 1:

Login to I&A and click on My Profile Tab. Scroll down to the Employer Information section.

In the example below, you will see in the user is an Approved Staff End User for Organizational Provider AAG Org One and has submitted a Role Change Request to be a Delegated Official.

Select the + sign icon next to the employer name to expand the employer.

Employer ▼	My Role with this Employer ▼	My Status with this Employer ▼	PECOS	EHR	NPPES
+ AAG Org One	Staff End User	Approved	YES	NO	NO
	Delegated Official	Pending Approval Tracking Id D74735	YES	YES	YES
+ SNOW, JON	Staff End User	Approved	YES	NO	NO

How to Disassociate from Your Employer

You can Disassociate yourself from an Employer if your status with the Employer is Approved and you are not an Individual Provider trying to disassociate yourself from your own Individual Provider Organization.

In the example below, you will see Individual Provider John Doe's Employer Information.

He is currently an approved employee of:

- a. Organizational Provider Cox Pharmacy
- b. Individual Provider Doe, John – his own IP org
- c. Individual Provider Trussell, Jack

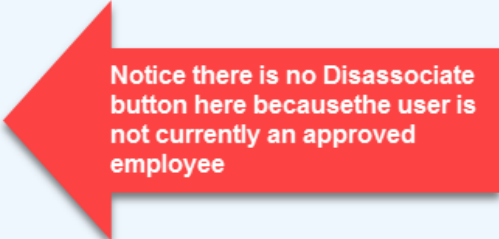

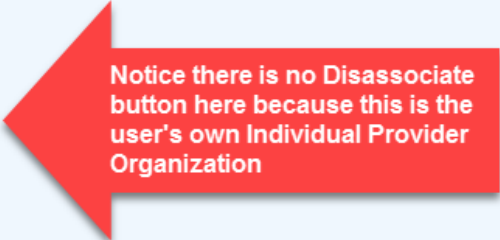

And is Pending Approval for Organizational Provider American Pharmacy

Employer ▼	My Role with this Employer ▼	My Status with this Employer ▼	PECOS	EHR	NPPES
+ American Pharmacy	Authorized Official	Pending Approval Tracking Id A61601120	YES	YES	YES
+ Cox Pharmacy	Authorized Official	Approved	YES	YES	YES
+ Doe, John	Authorized Official	Approved	YES	YES	YES
+ Trussell, Jack	Staff End User	Approved	NO	NO	YES
	Delegated Official	Pending Approval Tracking Id D74736	YES	YES	YES

John Doe can disassociate himself from Cox Pharmacy and Individual Provider Jack Trussell. When these two Employers are expanded, the **Disassociate From Employer** button will only be visible/available.

Employer ▼	My Role with this Employer ▼	My Status with this Employer ▼	PECOS	EHR	NPPES
<div> <div>+</div> <div>American Pharmacy</div> </div>	Authorized Official	Pending Approval Tracking Id A61601120	YES	YES	YES
<div> <div>-</div> <div> Cox Pharmacy EIN: **_***0099 Mailing Address: 5170 Sumerduck Rd Sumerduck, VA, 22742-2043 United States Phone Number: 540-347-9999 Fax Number: My E-mail: john.doe@email.com </div> </div> <div> <div>Edit E-mail Address</div> <div>Modify Employer Information</div> <div>View Authorized Official(s)</div> <div>View Delegated Official(s)</div> <div>View Other Name(s)</div> <div>View Uploaded Document(s)</div> <div>View NPI(s)</div> <div>Disassociate From Employer</div> </div>	Authorized Official	Approved	YES	YES	YES
<div> <div>+</div> <div>Doe, John</div> </div>	Authorized Official	Approved	YES	YES	YES
<div> <div>-</div> <div> Trussell, Jack NPI: 1467732396 Mailing Address: 719 W Holly Ave Sterling, VA, 20164-4621 United States Phone Number: Fax Number: My E-mail: john.doe@email.com </div> </div> <div> <div>Edit E-mail Address</div> <div>Request Role Change</div> <div>View Other Name(s)</div> <div>View Uploaded Document(s)</div> <div>Cancel Pending Role Change Request</div> <div>Disassociate From Employer</div> </div>	Staff End User	Approved	NO	NO	YES
	Delegated Official	Pending Approval Tracking Id D74736	YES	YES	YES

However, John Doe cannot disassociate himself from his own Individual Provider Organization or American Pharmacy (since he is not currently Approved as an employee). If you expand either one of those two Employers, you will not see a **Disassociated From Employer** button.

Employer ▾	My Role with this Employer ▾	My Status with this Employer ▾	PECOS	EHR	NPPES

7. Once the user selects the **Reset** button on the [Reset Password](#) page the user is taken to the [Reset Forgotten Password - Confirmation](#) page. The user will select the **Continue to Login Page** button access the I&A login screen.

- a. **Note:** The user will also receive an e-mail notification confirming that the password on the user's account has been changed. See an example e-mail below

```
From: donotreply@cms.gov  
To: whitney.stevenson@email.test  
Subject: Password Change Notification
```

```
This is to inform you the password on your account whitneysteve was  
recently reset. If you did not reset your password, please contact the  
External User Services (EUS) Help Desk immediately.
```

8. On the I&A logon page the user will enter his/her user ID and newly reset password and select the **Sign In** button.

The screenshot shows the CMS Identity & Access Management System logon page. At the top is the CMS logo and the text "Centers for Medicare & Medicaid Services". Below this is the page title "Identity & Access Management System" and a "Help" link. A message states: "Authorized users are able to sign in to the Identity & Access Management System. If you are a new user you must first [register](#)." The page is divided into two main sections. The left section, titled "Sign In", contains a form with fields for "User ID:" and "Password:", both marked with a red asterisk to indicate they are required. Below the fields is a "Sign In" button. There are also links for "Forgot Password", "Retrieve Forgotten User ID", and "Enter your PIN". The right section, titled "One account to access multiple systems", explains that users can create one account to manage access to NPPES, PECOS, and EHR incentive programs. It includes a "Create Account Now" button. Below this, there are three boxes for different systems: PECOS (with an American flag icon), EHR Incentive Program (with an EHR icon), and NPPES (with an NPPES icon). Each box provides a brief description of the system's purpose. At the bottom of the page, there are two links: "Quick Reference Guide" and "Frequently Asked Questions", each accompanied by a PDF icon.

One account to access multiple systems

Create one account with the Identity & Access Management System to manage access to NPPES, PECOS, and EHR incentive programs, manage staff, and authorize others to access your information. **Create Account Now**

PECOS Use this system to register for Medicare or update your current enrollment information.

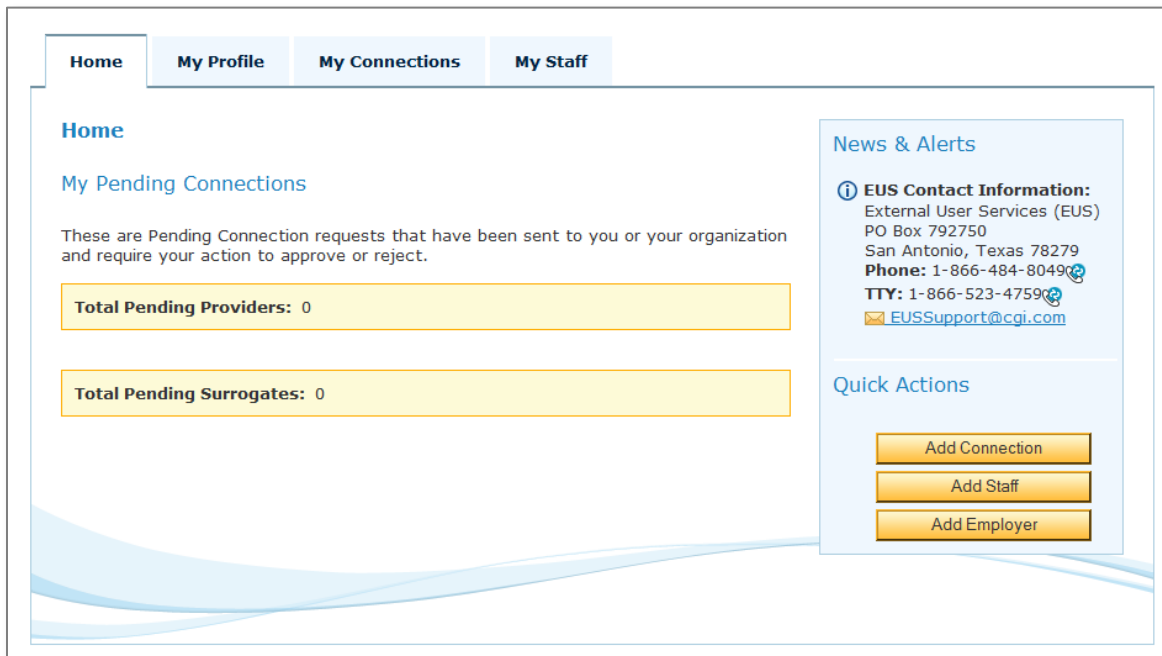

EHR INCENTIVE PROGRAM Register to receive EHR incentive payments for eligible professionals and hospitals that adopt, implement and upgrade or demonstrate meaningful use with certified EHR technology.

NPPES Use this system to apply for and manage National Provider Identifiers (NPIs).
National Plan & Provider Enumeration System

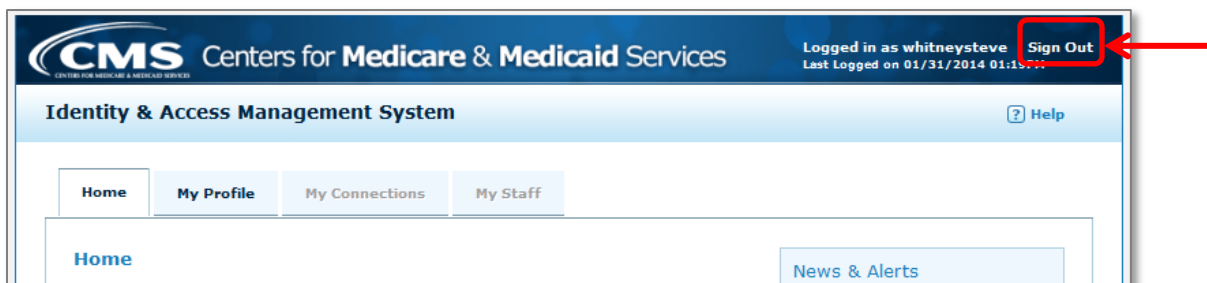

Quick Reference Guide
Overview of features and tools to manage your account.

Frequently Asked Questions
Answers to common questions about registration, who should register, and how to manage your account.

9. Since this user has previously logged in to their I&A account he/she will be taken directly to their I&A Home page.

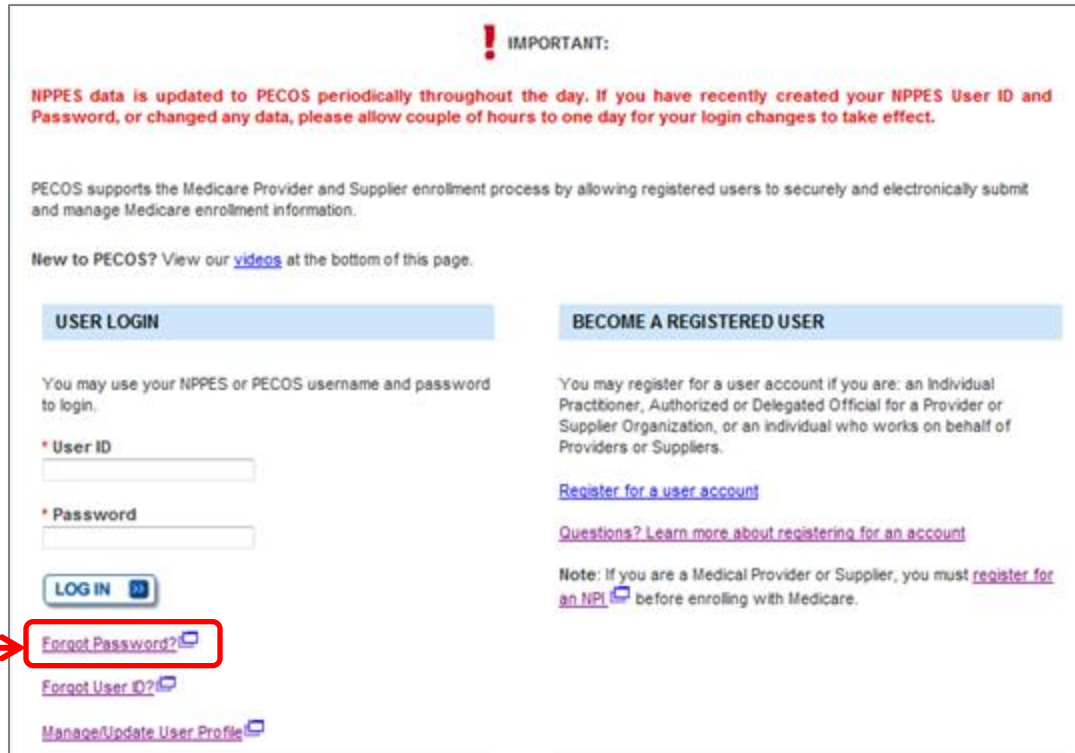

10. Once the user is finished in his/her I&A account the user can logout using the Sign Out hyperlink in the top right hand corner of the screen.

11. The user can now take their user ID and newly reset password and login to PECOS and/or EHR.

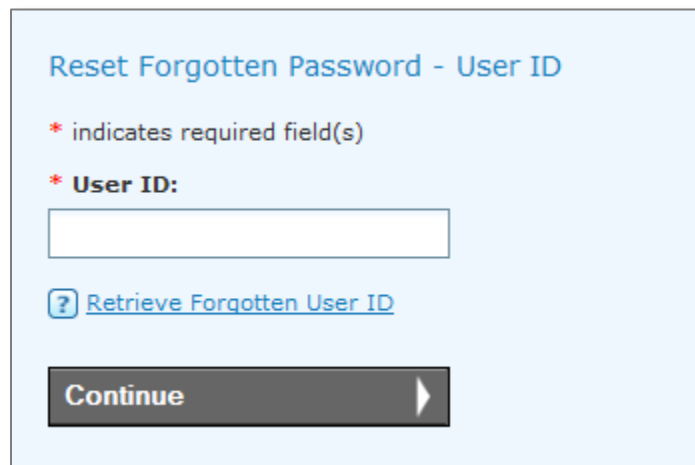

How to Reset a Forgotten Password For a User Who Has Not Completed His/Her User Information Security Check when logging into PECOS

1. From the PECOS logon page the user selects **Forgot Password?** Hyperlink. The user is then redirected to the I&A Reset Forgotten Password - User ID page.

The screenshot shows the PECOS logon page. At the top, there is an 'IMPORTANT!' notice in red text stating that NPPES data is updated periodically and users should allow time for login changes to take effect. Below this, a paragraph explains that PECOS supports Medicare Provider and Supplier enrollment. A link for 'New to PECOS?' points to videos. The page is divided into two main sections: 'USER LOGIN' and 'BECOME A REGISTERED USER'. The 'USER LOGIN' section has fields for 'User ID' and 'Password', a 'LOGIN' button, and three links: 'Forgot Password?', 'Forgot User ID?', and 'Manage/Update User Profile'. A red arrow points to the 'Forgot Password?' link. The 'BECOME A REGISTERED USER' section provides information on how to register and includes links for 'Register for a user account' and 'Questions? Learn more about registering for an account'. A note at the bottom states that medical providers or suppliers must register for an NPI before enrolling with Medicare.

2. On the Reset Forgotten Password - User ID page, the user enters his/her user ID and selects the **Continue** button.

The screenshot shows the 'Reset Forgotten Password - User ID' page. It has a title 'Reset Forgotten Password - User ID' and a note that an asterisk indicates a required field. There is a required 'User ID' field. Below the field is a link with a question mark icon that says 'Retrieve Forgotten User ID'. At the bottom is a large 'Continue' button with a right-pointing arrow.

3. On the Reset Forgotten Password - Challenge Information page, the user attempts to enter his/her *Security Questions* and selects the **Continue** button.

Reset Forgotten Password - Challenge Information

[« Back to Previous Page](#)

Note: To reset your password you will need to successfully complete one of the following two options:

1. Correctly answer three Security Questions associated with your account.
2. Enter the User Information associated with your account.

If you choose Option 1, and are unable to correctly answer three of the Security Questions associated with your account, you will be required to complete Option 2 and correctly enter the User Information associated with your account before being allowed to reset your password.

* indicates required field(s)

Security Questions **OR** **User Information**

***Security Question 1:**
What was the name of your first pet?

***Security Question 2:**
Who taught the class you remember most from school?

***Security Question 3:**
What is your favorite season of the year?

5. The user attempts to correctly answer the *Security Questions* two additional times and after the third attempt when the user selects the **Continue** button the user receives an error message stating “[You have incorrectly answered your security questions three times. Your account has been locked. Please enter the User Information associated with your account to unlock the account and reset your password. After three unsuccessful attempts to correctly enter your User Information you will be required to contact EUS to unlock your account.](#)”

Note: **Continue** button under the *Security Questions* heading is disabled and the user is forced to complete the *User Information* fields.

The user enters the personal information collected in the *User Information* fields and selects the **Continue** button.

 You have incorrectly answered your security questions three times. Your account has been locked. Please enter the User Information associated with your account to unlock the account and reset your password. After three unsuccessful attempts to correctly enter your User Information you will be required to contact EUS to unlock your account.

6. On the Reset Password page, the user is prompted to enter a new password and select the **Reset** button.

The screenshot shows the 'Reset Password' page within the CMS Identity & Access Management System. The page header includes the CMS logo and 'Centers for Medicare & Medicaid Services'. Below the header, the title 'Identity & Access Management System' is displayed, along with a 'Help' link. The main content area is titled 'Reset Password' and includes a 'Back to Previous Page' link. A note indicates that an asterisk (*) denotes required fields. The page prompts the user to 'Please enter a new password, and the new password again for verification:'. There are two input fields: '* New Password:' and '* Confirm New Password:'. To the right of these fields is a 'Password Compliance' section listing various rules, such as 'Must be different from your previous 6 passwords', 'Must be 8-12 alphanumeric characters', and 'Must contain at least one letter'. At the bottom of the form, there are two buttons: 'Reset' and 'Cancel'.

7. Once the user selects the **Reset** button on the Reset Password page the user is taken to the Reset Forgotten Password - Confirmation page. The user will select the **Continue to Login Page** button access the I&A logon screen.

The screenshot shows the 'Reset Forgotten Password - Confirmation' page. It features a yellow warning icon and the text 'Your password has been reset.' Below this message is a button labeled 'Continue to Login Page' with a right-pointing arrow.

Note: The user will also receive an e-mail notification confirming that the password on the user's account has been changed. See an example e-mail below

From: donotreply@cms.gov
To: NOT-CONVERTED-TESTUSER
Subject: Password Change Notification

This is to inform you the password on your account TESTUSER was recently reset. If you did not reset your password, please contact the External User Services (EUS) Help Desk immediately.

8. On the I&A logon page the user will enter his/her user ID and newly reset password and select the **Sign In** button.

The screenshot displays the CMS Identity & Access Management System login interface. At the top, the CMS logo and 'Centers for Medicare & Medicaid Services' are visible. Below this, the page title 'Identity & Access Management System' is shown with a 'Help' link. A message states: 'Authorized users are able to sign in to the Identity & Access Management System. If you are a new user you must first [register](#).' The main content area is divided into two sections. On the left, the 'Sign In' section includes a legend: '* indicates required field(s)'. It features two required fields: 'User ID:' and 'Password:', each with a text input box. Below these is a 'Sign In' button with a right-pointing arrow. Three links are provided: '? [Forgot Password](#)', '? [Retrieve Forgotten User ID](#)', and '? [Enter your PIN](#)'. On the right, the 'One account to access multiple systems' section explains that one account manages access to NPES, PECOS, and EHR incentive programs. It includes a 'Create Account Now' button with a right-pointing arrow. Below this, three system-specific options are listed, each with a logo and description: 1. PECOS (with an American flag logo): 'Use this system to register for Medicare or update your current enrollment information.' 2. EHR (with an 'eHR' logo): 'Register to receive EHR incentive payments for eligible professionals and hospitals that adopt, implement and upgrade or demonstrate meaningful use with certified EHR technology.' 3. NPES (with an 'NPES' logo): 'Use this system to apply for and manage National Provider Identifiers (NPIs).' At the bottom, two PDF links are shown: 'Quick Reference Guide' (Overview of features and tools to manage your account.) and 'Frequently Asked Questions' (Answers to common questions about registration, who should register, and how to manage your account.).

9. Before the user is able to access his/her I&A Home page the user must complete the User Information Integrity Check. On User Information Integrity Check - Notice page, the user will select the **Continue to Start** button to continue.

Note: In this example, this is the first time the user has logged into his/her I&A account so the user has not completed the User Information Integrity Check. If the user has previously logged in to his/her I&A account the user will be taken directly to their Home page.

The screenshot shows a web page titled "User Information Integrity Check - Notice". It contains a blue box with an information icon and text: "Welcome to the Identity & Access Management System. We have detected one or more issues with your account that will need to be addressed before you can continue. The following pages will step you through the needed changes. The changes you make will not be permanently saved until you complete the process. Thank you for your patience as we bring your account up to date." Below this is a list of items: "E-mail" and "Profile". At the bottom is a dark button labeled "Continue To Start" with a right-pointing arrow.

10. On the User Information Integrity Check - E-mail page the user must enter a unique e-mail address. After the user enters their e-mail address the user will select the **Continue** button.

The screenshot shows a web page titled "User Information Integrity Check - E-mail". At the top, there is a progress bar with three steps: "Step 1 E-mail" (active), "Step 2 Profile", and "Final Complete". Below the progress bar is a blue box with an information icon and text: "Your account does not have a primary e-mail address. Please enter the e-mail address that should be used to contact you regarding your user account. This primary e-mail address must be an e-mail address that is unique to you (no other user in the I&A system can have the same e-mail address), and will be the e-mail address used to contact you regarding your user account. Once you have entered your primary e-mail address, select 'Continue'." Below this is a legend: "* indicates required field(s)". There are two text input fields: "* E-mail Address:" and "* Confirm E-mail Address:". At the bottom, there is a dark button labeled "Continue" with a right-pointing arrow, and a blue link labeled "Cancel".

11. On the User Information Integrity Check - Profile page the user must complete all required fields. Once completed, the user will select the **Continue** button. Note that if the user is an Individual Provider with an Active Type 1 NPI, the user will not be able to modify the information on the left side of the screen because it is on the user's NPI. If the information on the left side needs to be modified,

the user should complete this process and then login to NPPES to correct the information on his/her NPI. The information will then be updated in I&A automatically.

The screenshot shows a web form for completing a profile. At the top, there are three tabs: 'Step 1 E-mail' (active), 'Step 2 Profile', and 'Final Complete'. Below the tabs is a message box stating: 'Your Profile is not complete. Please fill all the required fields.' Below this, a text prompt says: 'Please provide the details below. They will be used to verify your identity.' A red asterisk indicates required fields. The form is divided into two columns. The left column contains: 'First Name:' (text box), 'Middle Name:' (text box), 'Last Name:' (text box), 'Suffix:' (text box with a dropdown arrow), 'Date of Birth: (MM/DD/YYYY)' (text box), 'SSN:' (text box), and 'Primary E-mail Address:' (text box with the value 'DFG@e-mail.test'). The right column contains: 'Business Phone Number:' (text box), 'Fax Number:' (text box), 'Personal Phone Number:' (text box), 'Home Address Line 1:' (text box), 'Home Address Line 2:' (text box), 'City:' (text box), 'Country:' (dropdown menu with 'United States' selected), 'State/ Province/ Territory:' (dropdown menu with 'SE - Select One' selected), and 'Postal/ZIP Code:' (text box). At the bottom, there are two buttons: 'Continue' (with a right arrow) and 'Cancel' (with a left arrow).

Step 1 E-mail Step 2 Profile Final Complete

ⓘ Your Profile is not complete. Please fill all the required fields.

Please provide the details below. They will be used to verify your identity.

* State/ Province/ Territory: SE - Select One ▼

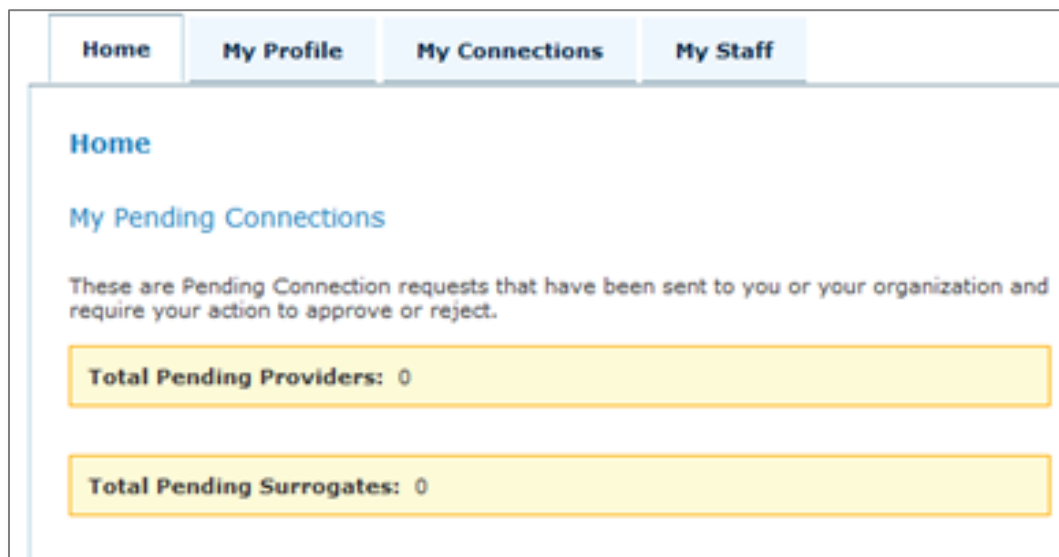

* Postal/ZIP Code:

Continue | Cancel

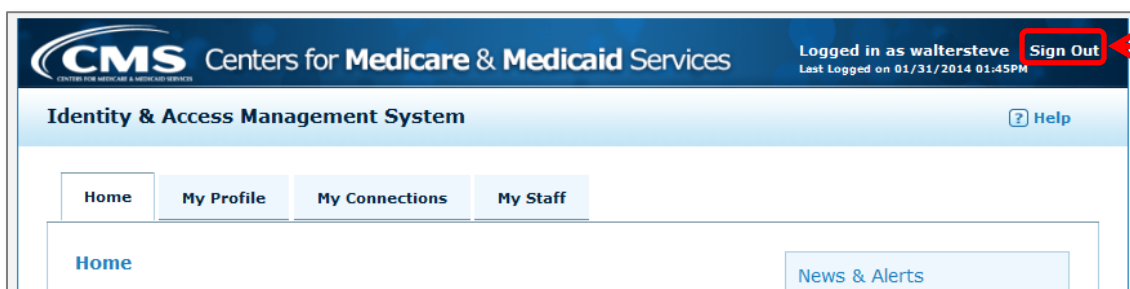

12. After the user completes Step 1 - E-mail and Step 2 - Profile, the user is taken to Final Complete. On the User Information Integrity Check - Complete page the user will select the **Continue to home Page** button to access their **Home** tab.

13. From the user's **Home** tab they can see if there are any Pending Provider or Surrogate requests. The user will also be able to navigate to other tabs available to them depending on the role of their account (i.e., Authorized Official, Delegated Official, or Staff End User).

14. Once the user is finished in his/her I&A account the user can logout using the Sign Out hyperlink in the top right hand corner of the screen.

15. The user can now take their user ID and newly reset password and login to PECOS and/or EHR.

How to Upload Documents

The **Add a Document** button can be found on the following pages:

- a. Add Employer Confirmation and Review page
 - i. Displays at the end of the Add Employer process
 - ii. Displays when the Tracking ID of a Pending Employer Request is selected on the My Profile tab in the Employer Information section
 - b. Add Provider page
 - i. Displays at the end of the Add Provider Process when the Provider is an Individual Provider
 - c. Connection Details page
 - i. Displays when a surrogacy connection is in a Pending Status and your employer initiated the surrogacy connection to an Individual Provider
1. Select the **Browse** button to search for your file

The screenshot shows a web application window titled "Identity & Access Management System" with a "Help" link. The main heading is "Upload New Document". Below this, it states: "Maximum size of file that can be uploaded is 10 MB." and "Type of documents that can be uploaded should be formatted PDF, GIF, or JPEG files." A red asterisk indicates required fields. The form contains three fields: "File:" with a text input and a "Browse..." button; "Comment:" with a text area; and "Type of Document:" with a dropdown menu labeled "Select Document Type". At the bottom, there are "Upload" and "Cancel" buttons.

2. Navigate to your file and select the file

3. Identify what **Type of Document** you are uploading

Examples - Common Connection/Surrogate Scenarios

Example #1: Individual Provider approves Group Practice to manage their PECOS information

John Smith (Individual Provider) is part of a group practice Health Group Inc. (Organizational Provider). Brian Johnson is the Authorized Official for Health Group Inc. Tom and Alex (Staff) are both credentialing specialists that work for Health Group Inc. John has made business arrangements with Health Group Inc. to manage his enrollment information within PECOS and update information in EHR.

Assumption: Health Group Inc. is already found in I&A and already has an NPI. Brian, Tom, and Alex are already established with their respective roles in I&A. John already has an NPI.

Brian Johnson (AO for Health Group Inc.):

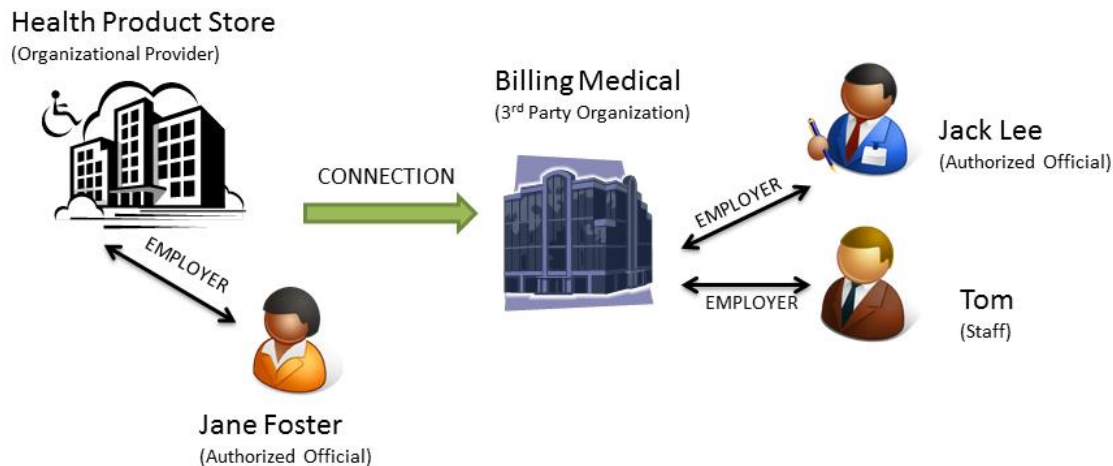

1. Logs in to I&A;
2. Goes to My Connections, and selects Find Provider, under Health Group Inc.;
3. Searches for John Smith by his NPI;
4. Selects him and then the PECOS, and EHR business functions; and
5. Confirms the connection request.

John Smith (Individual Provider):

6. John Smith receives notification of the requested connection.
7. Logs in to I&A;
8. Sees the pending request from the group to add him on both the Home page and in the list of connections on the My Connections page;
9. John approves the request;
10. John receives notification of approved connection request;
11. Health Group Inc. receives notification of approved connection request.

These steps establish the connection (surrogacy relationship) between John Smith and Health Group Inc. - which allows any member of Health Group Inc.'s staff (i.e., Brian, Tom, or Alex) to access information for John Smith. If Health Group Inc. had established a Delegated Official they could also initiate the connection request.

Example #2: Organizational Provider hires 3rd Party Organization to manage PECOS information.

Health

Product Store (Organizational Provider) has made business arrangements with a 3rd party consulting company, Billing Medical (3rd Party Organization) to manage their enrollment information in PECOS. Jane Foster is the Authorized Official of Health Product Store, Jack Lee is the Authorized Official of Billing Medical, and Tom (Staff) is a credentialing specialist that works for Billing Medical.

Assumption: Health Product Store already has an NPI, Billing Medical is already established in I&A, and Jane, Jack, and John are setup with their respective roles.

Jack Lee (Authorized Official of Billing Medical):

1. Logs in to I&A;
2. Goes to My Connections, and selects Find Provider, under Billing Medical.;
3. Searches for Health Product Store by its NPI;
4. Selects Health Product Store and then the PECOS business function; and
5. Confirms the connection request.

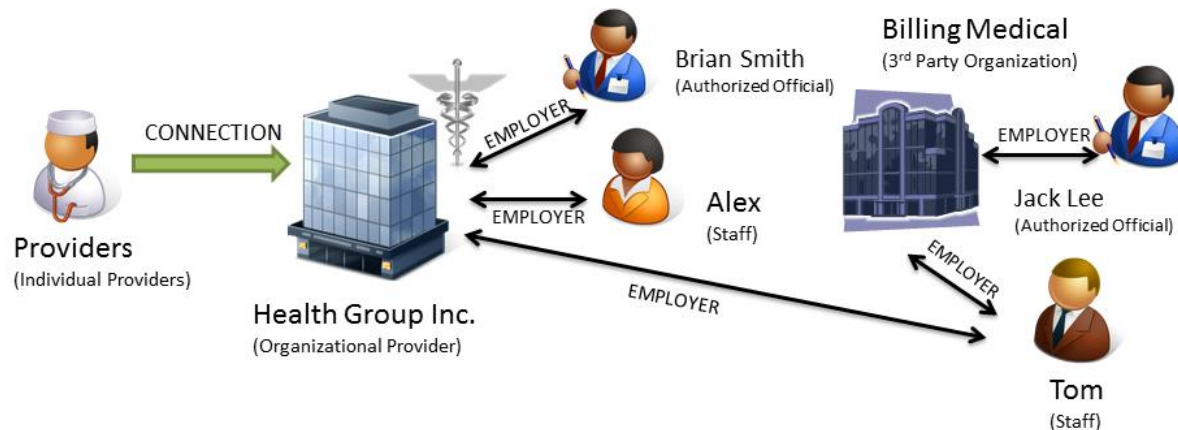

Jane Foster (Authorized Official of Health Product Store):

6. Health Product Store Authorized Official receives notification of the requested connection.
7. Logs in to I&A;
8. Sees the pending request on both the Home page and in the list of connections on the My Connections page;
9. Jane approves the request;
10. Jane receives notification of approved connection request;
11. Billing Medical receives notification of approved connection request.

These steps establish the connection (surrogacy relationship) between Health Product Store and Billing Medical - which allows any member of Billing Medical's Staff to access information for Health Product Store. If Billing Medical had established a Delegated Official they could also initiate the connection request.

Example #3: Group Practice hires 3rd Party Organization to manage PECOS and EHR information

Group Practice hires 3rd Party Consulting Organization to manage PECOS and EHR information for itself, AND all the Individual Providers who have already connected to it.

Health Group Inc. (Organizational Provider) has made business arrangements with a 3rd party consulting company, Billing Medical (3rd Party Organization) to manage their enrollment information in PECOS, and the enrollment information for all their Individual Providers who have previously connected to Health Group Inc. Brian Smith is the Authorized Official for Health Group and Alex (Staff) is the office manager. Jack Lee is the Authorized Official for Billing Medical, and Tom (Staff) is already a member of the Staff on Billing Medical, and will be the only person working on information for Health Group or any of its Providers.

Assumption: Health Group Inc. already has an NPI, Billing Medical is already established in I&A, and both Brian and Tom are setup with their respective role, Individual Providers have established connections with Health Group Inc.

Brian (Authorized Official):

1. Logs in to I&A;
2. Goes to My Staff, and selects Add Staff;
3. Enters Tom's name and e-mail address;
4. Submits the request.

Tom (Staff of 3rd Party Organization):

5. Receives an e-mail requesting that he register as a staff for Health Group Inc.;
6. Selects the link from the e-mail;
7. Enters his e-mail address and the PIN provided in the e-mail;
8. Since Tom is already a registered user in I&A he log's in and finalizes the registration.
9. Upon successful registration Tom will now see he is a Staff member for Health Group Inc.

These steps establish the connection (surrogacy relationship) between Health Group Inc. and Billing Medical via Tom, a member of Billing Medical's staff. Tom from Billing Medical can now access information for Health Group Inc., AND all of the Individual Providers who have previously approved connections between themselves and Health Group Inc.

IMPORTANT NOTE: If Health Group Inc. creates a CONNECTION to Billing Medical rather than making an individual of Billing Medical's Staff a member of their staff, Billing Medical's Staff would only have access to

the PECOS information for Health Group Inc., NOT any of the Individual Providers who previously authorized Health Group Inc. to work on their behalf.

Example #4: Individual Provider adds Office Manager to Update PECOS records.

Joe Brown (Individual Provider) has a private practice JB Medical Clinic. Sarah Douglas is Joe Brown's office manager and will be managing his enrollment information within PECOS and update information in EHR.

Assumption: Joe Brown already has an NPI and is already established in I&A.

Joe Brown (Individual Provider):

1. Logs in to I&A;
2. Goes to My Staff, and selects Add Staff;
3. Enters Sarah's name and e-mail address;
4. Selects Sarah's employer (Joe) and Role - Staff End User and then the PECOS/EHR business function; and
5. Submits the request.

Sarah Douglas (Staff - Office Manager):

6. Sarah receives an e-mail requesting that she register as a staff end user for Joe;
7. Sarah selects the link from the e-mail;
8. Enters her e-mail address and PIN provided in the e-mail;
9. Since Sarah is not currently a registered user in I&A she will select Continue to Registration;
10. Sarah follows the screens through the Registration process.
11. Once registration is successful Sarah will see on her **My Profile** tab that she now a Staff End User for Joe Brown

These steps establish the employment relationship between Joe Brown and Sarah Douglas. Sarah Douglas. As a member of Joe Brown's Staff she can now act as a surrogate for Joe Brown.

Example #5: Individual Provider Hires 3rd Party Organization to Update PECOS records.

Joe

Brown (Individual Provider) has a private practice JB Medical Clinic, and has made a business arrangements with a 3rd party consulting company, Billing Medical (3rd Party Organization) to manage his enrollment information in PECOS and EHR. Jack Lee is the Authorized Official of Billing Medical.

Assumption: Billing Medical is already established in I&A, and Jack is already setup as the AO. Joe Brown already has an NPI and is already established in I&A.

Jack Lee (AO for Billing Medical):

1. Logs in to I&A;
2. Goes to My Connections, and selects Find Provider, under Billing Medical.;
3. Searches for Joe Brown by his NPI;
4. Selects him and then the PECOS, and EHR business functions; and
5. Confirms the connection request.

Joe Brown (Individual Provider):

6. Joe Brown receives notification of the requested connection.
7. Logs in to I&A;
8. Sees the pending request on both the Home page and in the list of connections on the My Connections page;
9. John approves the request;
10. Billing Medical receives notification of approved connection request

These steps establish the connection (surrogacy relationship) between Joe Brown and Billing Medical - which allows any member of Billing Medical's staff to access information for Joe Brown. If Billing Medical had established a Delegated Official they could also initiate the connection request.

Appendix A - Acronyms, Key Terms, and Definitions

Acronym	Description
AO	Authorized Official
DO	Delegated Official
EHR RNA	Electronic Health Records Registration & Attestation System
EUS	External User Services
HITECH	Health Information Technology for Economic and Clinical Health Act
I&A	Identity & Access system
IP	Individual Provider
MFA	Multi-Factor Authentication
NPI	National Provider Identifier
NPPES	National Plan & Provider Enumeration System
PECOS	Provider Enrollment, Chain and Ownership System
Staff End User (SEU)	Staff user who is allowed to work for an EIN/organization but does not have the authority to perform AO and DO tasks. Staff End Users only have access to those EINs, Individual Providers, and Business Functions granted to them by an AO or DO.
Status - Account/Profile	<p>Account/Profile Status - Status of the user's account/profile. This is not the same as the user's status with his employer(s).</p> <ul style="list-style-type: none"> ◆ Active - user successfully ID-proofed and can see his Home page and profile information (what he sees for the employer info is dependent on the status the user has with his employer(s)) ◆ Deactivated - deactivated by EUS (User must have their account Reactivated by EUS) ◆ Disabled - account has been "disabled" due to inactivity > X days but < Y days. (The user must reset their password.) ◆ Archived - account/profile has been archived due to inactivity > Y days. (The user must create a new account/profile.)
Status - Connection	<p>Connection Status - Status of the a connection between two entities (provider + surrogate)</p> <ul style="list-style-type: none"> ◆ Approved - Connection has been approved ◆ Pending - Connection request has been submitted but it has not yet been acted on ◆ Disabled - Previously approved connection has been disabled ◆ Rejected - Connection request was rejected and was never approved OR was not acted on within 30 days of its initiation ◆ Deactivated - Last Provider NPI associated with connection has been deactivated ◆ Cancelled - Connection was cancelled by the initiator before being acted on by the recipient

Acronym	Description
Status - E-mail	<p>E-mail Status - status of an e-mail address</p> <ul style="list-style-type: none"> ◆ Validated - e-mail address has been validated ◆ Pending Validation - e-mail address has been submitted for validation but user has not yet responded to the validation request ◆ Not Validated - e-mail address has not been validated nor has it been submitted for validation
Status - Employer	<p>Employer Status - Status of the user with regards to employer(s). A user will have a status for each employer.</p> <ul style="list-style-type: none"> ◆ Approved - user has been approved for the employer ◆ Pending Approval - user has not yet been approved for the employer. This may occur in the following situations: <ul style="list-style-type: none"> • AO or DO awaiting vetting and approval by EUS for a new employer • DO awaiting approval by AO for a new employer • DO or Staff End User awaiting approval of a role change request ◆ Disassociated - user no longer has access to the employer ◆ Rejected - request for approval was rejected ◆ Archived - User's User ID has been archived
Status - Invitation	<p>Invitation Status - status of a staff invitation request issued by an AO/DO/IP to a new staff user</p> <ul style="list-style-type: none"> ◆ Registration Pending - an invitation has been issued but has not yet been responded to/acted on ◆ Registration Cancelled - a pending registration invitation was cancelled before the staff user responded to the invitation ◆ Expired - an invitation request that has been Pending Registration for more than 72 hours ◆ Accepted - invitation has been accepted by the user who received it
Status - PIN	<p>PIN Status - status of a PIN that has been issued following a request</p> <ul style="list-style-type: none"> ◆ Active - PIN is still active and can be used ◆ Expired - PIN has expired and can no longer be used. ◆ Used - PIN has been used and cannot be reused ◆ Cancelled - the action taken that resulted in the generation of the PIN was cancelled (e.g., when an AO/DO/IP cancels a staff user's invitation before that staff user registers.) ◆ Deactivated - a user attempted to use PIN but was not able to enter the correct e-mail address in three tries. The PIN has been deactivated and cannot be used.
