Resource Available for CAH II Physicians Eligible to Participate in the Medicare EHR Incentive Program

Physicians who assign their reimbursement and billing to a Critical Access Hospital (CAH) under Method II (CAH IIs) may participate in the Medicare EHR Incentive Program as eligible professionals.

CAH II physicians can begin participating in the Medicare EHR Incentive Program during the 2013 calendar year, and are eligible to earn a maximum of \$39,000 during the course of the program. Due to CMS system changes, CAH II physicians who participate this year will need to submit attestations in January 2014.
