Flow Chart to Help Eligible Professionals (EP) Determine Eligibility for the Medicare and Medicaid Electronic Health Record (EHR) Incentive Programs

How to Use this Flow Chart: A Medicaid eligible professional may also be eligible for the Medicare incentive and should follow the path of answering no to the question of Medicaid patient volume to determine Medicare eligibility. An eligible professional who qualifies for both programs may only participate in one program. Eligible Professionals eligible to receive EHR incentive payments under Medicare or Medicaid will maximize their payments by choosing the Medicaid EHR Incentive Program.
