SUBJECT: Plan Preview of Display Measures in HPMS

DATE: October 27, 2016

CMS publishes display measures on [www.cms.gov](http://www.cms.gov) each year, which include measures that have been transitioned from the Star Ratings, new measures that are tested before inclusion into the Star Ratings, or measures displayed for informational purposes only. These are separate and distinct from CMS' Part C and D Star Ratings. Part C and D sponsors can preview their display measure data in HPMS prior to posting on the CMS website. The display measure plan preview will be held from **October 28 – November 8, 2016**. Appendix A contains a list of all display measures for 2017.

Similar to last year, CMS has also included a separate data page which contains the HEDIS 2016 data submitted by contracts that had less than 500 enrolled in July 2015. There is a separate Technical Notes document to cover this additional data. Appendix B contains a list of these HEDIS measures for 2017.

- To access the Display Measures preview in HPMS, from the home page navigation bar select: "Quality and Performance", then "Performance Metrics", then "Star Ratings and Display Measures", then "Display Measures" and finally select 2017 in the list box.

In late November, the 2017 display measures will be posted to the CMS.gov website on this page: <http://go.cms.gov/partcanddstarratings>. The Technical Notes will also be available via that link. Similar to previous years, the 2017 Display Measure Technical Notes encompass both Part C & D display measure information.

In contrast to the Star Ratings available on the Medicare Plan Finder tool on [www.medicare.gov](http://www.medicare.gov), information about sponsors' performance on these measures will be displayed without any assignment of Star Ratings.

Please email any comments or questions on the Part C & D or HEDIS display measures to [PartCandDStarRatings@cms.hhs.gov](mailto:PartCandDStarRatings@cms.hhs.gov). Also copy the [CallCenterMonitoring@cms.hhs.gov](mailto:CallCenterMonitoring@cms.hhs.gov) mailbox for Call Center monitoring questions.

To expedite review of your comments and questions, please include "Display Measures", Contract ID(s), and the issue/measure in the subject line. Comments and questions will be addressed on a rolling basis and must be received no later than 5:00 p.m. ET on November 8, 2016. Please note if your organization has multiple contracts with the same type of issue

you should group those contracts in one email. If your organization has questions about multiple measures, please separate those issues into separate emails.

Example:

Subject: Display Measures HXXX, HYYYY, SZZZZ – D15

Subject: Display Measures HXXX, HYYYY – C06

***Please do not submit secure emails requiring CMS to login to access the questions as multiple staff triage your emails and it is difficult to create and share login information. If you need to share personally identifying information (PII) with us, please contact us with an unsecure email to discuss a safe way to transfer the secure data.***

Thank you for your continued commitment to ensure the success of the Medicare Advantage and Prescription Drug Programs.
