

# Number of Home Health Agencies (HHAs) Per Affirmation Rate in Illinois

Updated: 11/18/2016

The following graph shows the number of providers in Illinois that have various affirmation rates for the pre-claim review requests they have submitted/resubmitted thru 10/29/2016. The rates are inclusive of partially affirmed and fully affirmed requests.

Note: This chart replaces the chart posted on 10/21/2016. However, the methodology has been updated, as the information in the earlier chart was not cumulative.
