*****Revisions May 23, 2013*****

- **June 5, 2013 session time is 3:30-4:30pm EST**
- **Additional session added, July 17, 2013**

The Centers for Medicare & Medicaid Services (CMS) has hosted one and will host four additional Payment Error Rate Measurement (PERM) provider education webinar/conference calls during Cycle 2 (2013). The purpose is to provide opportunities for the providers of the Medicaid and Children's Health Insurance Program (CHIP) communities to enhance your understanding of specific Provider responsibilities during PERM.

The PERM program is designed to measure improper payments in the Medicaid and CHIP programs, as required by the Improper Payments Information Act (IPIA) of 2002 (amended in 2010 by the Improper Payments Elimination and Recovery Improvement Act or IPERA, and the Improper Payments Elimination and Recovery Improvement Act of 2012 IPERIA).

Webinar/Conference call participants will learn from presentations that feature;

- The PERM process and provider responsibilities during a PERM review
- Frequent mistakes and best practices
- The Electronic Submission of Medical Documentation, esMD program

The presentations will be repeated for each session. You will have the opportunity to ask questions live through the conference lines, via the webinar, and through PERM Provider email address at; PERMProviders@cms.hhs.gov .

Presentation materials and participant call in information will be posted on the Provider Education Calls link at;
