Note: Standard errors are shaded and italic. See Appendix A for additional information on standard errors. See Appendix B for definitions of terms and variables.

- 1 The term *community-only residents* includes beneficiaries who resided only in the community during the year. It excludes beneficiaries who resided part of the year in the community and part of the year in a long-term care facility, and beneficiaries who resided only in a long-term care facility during the year.
- 2 Column percentages in longitudinal tables add up to 100 percent because expenditures for survey persons with missing values are assumed to be distributed the same as expenditures for those with nonmissing values.
- 3 *IADL* stands for Instrumental Activity of Daily Living.
- 4 *ADL* stands for Activity of Daily Living.
- 5 Health insurance will not add up to 100 percent because beneficiaries with Medicare Health Maintenance Organization coverage are not included.
