<sup>1</sup> The Original Medicare Part A enrollee count for 2013 was 37,215,732.

<sup>2</sup> Persons with coinsurance represent persons with both utilization and coinsurance.

NOTES: Reflects admissions with at least 1 day of covered care under Medicare. Counts, program payments, and coinsurance payments may not add to totals because of rounding. The persons with utilization counts do not add to the totals because beneficiaries may have had admissions in more than one type of skilled nursing facility during the reported year.
