¹The Original Medicare Part A enrollee count in 2014 was 37,476,843.

²Persons with coinsurance represent persons with both utilization and coinsurance.

NOTES: Reflects admissions with at least 1 day of covered care under Medicare. Counts and amounts may not sum to totals because of rounding. The 'persons with utilization' counts do not add to the totals because beneficiaries may have had admissions in more than one type of skilled nursing facility during the reported year.
