<sup>1</sup>Total Original Medicare enrollees (in person years) for 2015 was 38,025,274. The 'service visits per 1,000 Original Medicare enrollees' rates are based on Original Medicare enrollees with Part A and/or Part B coverage.

NOTES: The data reported in this table are from home health Part A and Part B claims. The 'persons with utilization' counts do not add to totals because beneficiaries may use more than one service during the reported year.
