<sup>1</sup>The Original Medicare Part B enrollee count in 2015 was 33,286,965.

NOTES: Data represent outpatient facility utilization and payments; data do not include claims from physicians or ambulatory surgical centers. Counts and amounts may not sum to totals because of rounding. The 'persons with utilization' counts do not add to the total because beneficiaries may have had visits in more than one type of outpatient facility during the reported year.
