* Counts between 1 and 10 have been suppressed because of CMS rules to protect the privacy of beneficiaries.

† Counts have been cross-suppressed to prevent the recalculation of suppressed counts between 1 and 10.

NOTES: The 'persons with utilization' counts do not reflect beneficiaries who received covered services, but for whom no program payments were reported. The counts also do not sum to totals because beneficiaries may have used more than one type of service during the reported year. Amounts may not sum to totals because of rounding. Utilization and expenditure data for home health agency services are from home health Part A and Part B claims.
